Practising Phonics

at Home and Out and About

If your child is learning phonics at school, you might want to support them at home but feel unsure of what to do.

You might feel that you haven't got the right knowledge or the right resources to help them. Don't worry though as the advice given here will help you to help your child with some activities. We have included lots of ideas to help you support your child's learning.

If you can't see what your child is learning, then you can't help them. So, ask your child to show you what they are learning. You can then help them to learn it. This is a great way to help them to learn it.

and Colleen Driggs addresses the pressing challenges educators face in effectively incorporating the Science of Reading into their instruction once students already know how to decode. By offering actionable guidance grounded in seven evidence-based principles, this book helps teachers elevate their instructional practices and better prepare students to be lifelong readers and thinkers. Grounded in proven classroom instruction, the book focuses on techniques that can allow teachers to use the science as effectively and actionably as possible. The Teach Like a Champion Guide to the Science of Reading is enhanced with more than 50 video clips from the classroom and covers ways to practically apply the Science of Reading. The book describes the often overlooked role of fluency in reading comprehension even into the high school years, the profound importance of managing and socializing attention in an age of technology, the central role of background knowledge in understanding text, and the doubly important role of teaching vocabulary as a form of knowledge. It adds a discussion of how writing can make students better readers and how important it is that reading classes focus on reading actual books, great ones ideally. And it closes with a discussion of close reading and the challenge of preparing students to rise to the challenge of complex text. Inside the book: An innovative approach to building and reinforcing background knowledge in reading. Over 50 video demonstrations of effective teaching techniques. Sample lesson plans and materials for immediate classroom application. The Teach Like a Champion Guide to the Science of Reading is essential for educators, literacy coaches, and administrators who aim to foster rigorous literacy instruction in their classrooms and schools. This guide shows you how to implement techniques that ensure students find joy in reading and become better, wiser, more engaged, and more motivated readers both in their classrooms and in their lives beyond.

Bookmarking Alicia E. Vandenbroek, 2012-07-16. With easy-to-follow tutorial guides, this book is your one-stop shop for implementing creative activities for all ages on social bookmarking tools. Focusing on ways social bookmarking can impact academic and public libraries and increase collaborations with both patrons and faculty, *Bookmarking Beyond the Basics* introduces a variety of social bookmarking websites with helpful tutorials and activities for a wide range of users. It addresses social bookmarking sites such as Delicious, Avos, Later, This, Jog the Web, Sqworl, LiveBinders, Diigo, and covers shared bookmarking with QR codes. The description of each website is accompanied by practical information on how to use this bookmarking tool in the classroom, school library, or public library to create personal learning networks and provide resources for patrons. The book describes ways classroom teachers can work collaboratively with librarians to incorporate social bookmarking into the classroom. Included activities are developmentally appropriate for primary-grade students up to adult patrons.
