

ABOUT ME

It is a long established fact that a reader will be distracted by the readable content of a page when looking at the image. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'real' content which would make the text unreadable. There are many variations of Lorem Ipsum available on the Internet, randomized, recycled, and re-revised for various purposes. Some are more readable than others, and some are more useful than others.

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Lorem Ipsum is the standard dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was replaced by the 'readable' dummy text of the 1960s.
