Manual of Romance Forensic Linguistics Victoria Guillén-Nieto,Dieter Stein,2025-06-02 It is evident that published serious science based work in Forensic Linguistics is predominantly written in English and focuses on casework from the English speaking world While the first aspect is understandable given that English serves as an international lingua franca in scientific discourse the second aspect presents a significant limitation for the field Should researchers assume that there is simply less crime in non English speaking areas of the world A more pertinent question might be What cultural disciplinary legal or legal cultural factors contribute to the lack of research in and on languages other than English In addition to addressing the

underrepresentation of Romance languages in scientific publications related to forensic work the chapters in this handbook will also explore the reasons behind this unfortunate situation Designed to engage readers whether they are linguists legal professionals or simply interested individuals and to spark interest in Romance Forensic Linguistics this handbook follows three key objectives First we are committed to providing a comprehensive overview of the casework and research conducted in and on several Romance languages including Peninsular Spanish Catalan Brazilian Portuguese French Canadian French Italian and Romanian Second the chapters in this volume seek to understand why Forensic Linguistics has thrived more in some Romance speaking countries than in others Finally we aim to uncover the reasons for the slower development of Forensic Linguistics in regions where Romance languages are predominantly spoken

Manual of Standardization in the Romance Languages Franz Lebsanft,Felix Tacke,2020-01-20 Language standardization is an ongoing process based on the notions of linguistic correctness and models This manual contains thirty six chapters that deal with the theories of linguistic norms and give a comprehensive up to date description and analysis of the standardization processes in the Romance languages The first section presents the essential approaches to the concept of linguistic norm ranging from antiquity to the present and includes individual chapters on the notion of linguistic norms and correctness in classical grammar and rhetoric in the Prague School in the linguistic theory of Eugenio Coseriu in sociolinguistics as well as in pragmatics cognitive and discourse linguistics The second section focuses on the application of these notions with respect to the Romance languages It examines in detail the normative grammar and the normative dictionary as the reference tools for language codification and modernization of those languages that have a long and well established written tradition i e Romanian Italian French Catalan Spanish and Portuguese Furthermore the volume offers a discussion of the key issues regarding the standardization of the minor Romance languages as well as Creoles

Manual of Romance Morphosyntax and Syntax Andreas Dufter,Elisabeth Stark,2017-09-25 This volume offers theoretically informed surveys of topics that have figured prominently in morphosyntactic and syntactic research into Romance languages and dialects We define syntax as being the linguistic component that assembles linguistic units such as roots or functional morphemes into grammatical sentences and morphosyntax as being an umbrella term for all morphological relations between these linguistic units which either trigger morphological marking e g explicit case morphemes or are related to ordering issues e g subjects precede finite verbs whenever there is number agreement between them All 24 chapters adopt a comparative perspective on these two fields of research highlighting cross linguistic grammatical similarities and differences within the Romance language family In addition many chapters address issues related to variation observable within individual Romance languages and grammatical change from Latin to Romance
