Make Science Fun: Experiments Jacob Strickling, 2017-11-06 Make Science Fun 2 intended for an older more serious age group of 8-15 is designed for children to do actual science experiments not just science activities at home. Most science experiment books aren't experiment books at all. They mostly contain fun science activities which are fun to do, help learn science, but a fun science activity isn't always an experiment. A science experiment sets out to answer a question or solve a problem using a fair and controlled test. To count as a science experiment, you need to take measurements, make observations, and control variables. With space to write hypotheses, record results, make observations, and draw graphs required. Make Science Experiments is a strong foundation on which to build student awareness of the importance of science in everyday lives. **SELLING POINTS** Science experiments for the kitchen, garage, or workshop, bathroom, and garden. Bonus projects perfect for a science fair or school project. Projects using only basic products that can be found in every home, kitchen, or bathroom. Make Science Fun banishes the science is boring stereotype through fun experiments that children can do alone or with friends or parents. The author's YouTube channel [Science Experiments to Blow Your Mind!](#) Thomas Canavan, 2019-10-18 Hold on to your lab goggles and get ready to have your mind blown. From microwave soap monsters to make your own lava lamps, this book is bursting with brilliant experiments that will teach you everything you need to know about the appliance of science. All of the projects can easily be performed at home, and clear instructions are accompanied by entertaining images and informative text. It's the perfect how-to guide for young scientists aged 8-15. *Janice VanCleave's Big Book of Science Experiments* Janice VanCleave, 2020-05-12 Janice VanCleave once again ignites children's love for science in her all-new book of fun experiments featuring a fresh format, new experiments, and updated content standards.
