Spotify Best Returns:

Return of the Hustle Eric Sheinkop, 2016-03-11 Has a commercial ever brought you to tears Has a movie ever inspired you so much you change your way of life Has the series finale of a television show ever broken your heart Has a video game ever altered your perception of reality If you're like most consumers you answered yes to at least one of those questions Whether you remember it or not the music of that ad film show or game probably played a big role in influencing your emotional response during that experience In fact music is included in media specifically for the purpose of connecting with audiences on a deeper level that visuals alone cannot access A strong music strategy is fundamental to the success of television film brands and video games Because of higher expectations for audiovisual content it will take more than clever animation or a celebrity cameo to connect with consumers in an authentic organic way By providing audiences with a genuine music experience whether with an exclusive song through an artist partnership or by featuring new music from an emerging band you can build a bond that extends far beyond product experience Music touches us emotionally in a way that words seldom do We feel it we remember it In *Return of The Hustle* a leading music and marketing industry insider discusses the diverse audio touchpoints for four key industries and shows how marketers storytellers and advertisers can use music to effectively guide audiences along the customer journey from passive consumers to brand advocates *Return of The Hustle* provides readers with a blueprint for music strategy that professionals at any level in any industry can use to attract consumers immerse them into the content and extend relationships between them and the brand long after the commercial ends or the credits roll With detailed case studies exhaustive interviews and thorough research *Return of the Hustle* gives readers the playbook to use the marketing power of music to drive business results [The Ultimate Digital Music Guide](#)

This edited collection considers various meanings of the Spotification of music and other media Specifically it replies to the editor s call to address the changes in media cultures and industries accompanying the transition to streaming media and media services Streaming media services have become part of daily life all over the world with Spotify in particular inheriting and reconfiguring characteristics of older ways of publishing distributing and consuming media The contributors look to the broader community of music media and cultural researchers to spell out some of the implications of the Spotification of music and popular culture These include changes in personal media consumption and production educational processes and the work of media industries Interdisciplinary scholarship on commercial digital distribution is needed more than ever to illuminate the qualitative changes to production distribution and consumption accompanying streaming music and television This book represents the latest research and theory on the conversion of mass markets for recorded music to streaming services **Enshittification** Cory Doctorow, 2025-10-07

Enshittification it s not just you the internet sucks now Here s why and here s how we can disenshittify it We re living through the Enshittocene the Great Enshittening a time in which the services that matter to us that we rely on are turning into giant piles of shit It s frustrating Demoralizing Even terrifying Enshittification identifies the problem and proposes a solution When Cory Doctorow coined the term enshittification he was not just finding a funner way to say things are getting worse He was making a specific diagnosis about the state of the digital world and how it is affecting all of our lives and not for the better The once glorious internet was colonized by platforms that made all but magical promises to their users and at least initially seemed to deliver on them But once users were locked in

the platforms turned on them to make their business customers happy Then the platforms turned to abusing their business customers to claw back all the value for themselves In the end the platforms die Doctorow s argument clearly resonated Once named it became obvious that enshittification is everywhere so much so that the American Dialect Society named it its 2023 Word of the Year and was cited as an inspiration for the 2025 season of Black Mirror Here now in Enshittification the book Doctorow moves the conversation beyond the overwhelming sense of our inevitably enshittified fate He shows us the specific decisions that led us here who made them and most important how they can be undone At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Taylor Swift and the Philosophy of Re-recording Brandon Polite, 2025-01-09 A lively and thorough exploration of the aesthetic metaphysical ethical political and legal implications of Taylor Swift s ongoing project of re recording her first six studio albums When Taylor Swift s record label was sold in 2019 the six studio albums she recorded for them came under the control of a person with whom she has had years of bad blood Kanye West s former manager Scooter Braun But rather than move on Swift chose to take the unprecedented step of re recording duplicate versions of those albums With all of the profits made from selling streaming and licensing these Taylor s Versions going directly to Swift she could deprive Braun of potentially hundreds of millions of dollars The gambit has already paid off The first two Taylor s Versions of Fearless and Red debuted at Number 1 on the Billboard charts and have sold over one million copies so far and four more are still on the way In this book ten philosophers a music producer and a composer music technologist explore the philosophical richness of Swift s project and the questions it raises Are Swift s re recordings new works of art or mere copies of the originals Do the Taylor s Versions of the songs have the same meanings as the original versions or do they now mean something different Is her re recording project genuinely artistic or merely commercial Is Swift standing up for artists rights or looking out for herself Does the music industry exploit artists and if so how should it be reformed Together they show the philosophical dividends

one of the most famous and acclaimed recording artists of her generation is capable of producing For anyone interested in the complicated relationship between popular art and commerce this book is a must read **Sharing** Matthew

Return to the Warehouse District Richard Segal, 2023-03-20 *Return to the Warehouse District* is an instalment of rogue avenger's pinball tales of self indulgent street art Come back deaf dumb and blind kid this is your time *Return to the Warehouse District* conveys stories of The Steve and Larry Show a cerebral band fond of inside jokes also co founded by Tom who buys left of center glossy magazines for the pictures while Larry takes too much time at the supermarket because he shops by the hunt and peck method The laid back trio of Mugu Meowmix and their dog Mellow Yellow but do M M take the pet out for a walk or does he take them out for a cigarette given that their contribution to countering the effects of climate change is not smoking in bed This is not a picaresque novel but ultimately a battle between good and evil a conflict between catharsis and retribution with hopefully one deserving winner

The Return of Hegemonic Masculinity Conrad Riker, 2021-01-01 Why Modern Men Are Starving for Purpose And How to Fix It Without Apologizing Tired of being called toxic for wanting to lead protect or compete Sick of watching boys raised to be beta bureaucrats instead of warriors Feel like marriage is a rigged game where you pay pray and lose Exposes why gender equality is a myth that ignores 200 000 years of evolutionary biology Debunks the lie that male leadership caused oppression not collapse Reveals how feminism weaponizes divorce courts to turn men into tax mules Data driven proof that societies thrive under patriarchy and implode under matriarchy Uncensored case studies From Churchill's grit to why tech giants N E E D male brains How to dodge the toxic masculinity trap while staying unapologetically strong Why fatherlessness breeds chaos and how to rebuild the nuclear family The 1 reason modern women are miserable hint it's not men's fault If you want to silence the guilt trippers reclaim your biological birthright and lead a life feminists can't cancel buy this book today before they ban it

The Moral Rights of Authors and Artists Mira T. Sundara Rajan, 2025-01-20 Moral rights are held by authors and artists under copyright laws around the world and serve to recognize their role and rights as creators In the technological context these rights have acquired a new importance Moral rights respond to a growing public need for the integrity of knowledge while providing much needed support in the struggle against copyright piracy Crucially they affirm the basic human dignity of authors and artists everywhere They offer the potential for new approaches to copyright conflicts for harmonizing public and private interests commercial and cultural priorities copyright and Copyleft through a time tested and universally relevant idea Moral Rights of Authors and Artists From the Birth of Copyright to the Age of Artificial Intelligence tells the story of moral rights as the idea developed through the ages from their antecedents in Asia and Europe to their modern emergence in British and European copyright laws and their

recent reluctant yet powerful acceptance in the United States It paints an unparalleled comparative picture of copyright law reaching from North America to Australia and New Zealand India Japan Korea and all across Continental Europe drawn from the author s rich international experience and her practical insights as an author and artist herself Above all this book explores the unprecedented relevance of moral rights in the age of artificial intelligence where they can help to affirm the importance of human creativity at its most vulnerable It is a powerful work of illumination and advocacy
