Historic Documents of 2024 Heather Kerrigan, 2025-09-22. Published annually since 1972, *Historic Documents* provides an unparalleled collection of primary sources that chronicle the most significant events of each year in the United States and around the world. Each edition features 60 to 70 original background narratives and more than 100 primary source documents, including official reports, speeches, legislation, court decisions, testimony and more. Known for its exceptional editorial quality, the series offers expertly written context for each document, making primary source research accessible and meaningful. Organized chronologically, the volume covers key developments across a wide range of areas, including politics, the economy, labor, international affairs, rights and justice, health, science, environment and national security. A comprehensive introductory essay situates the year's events, while full source citations, a detailed thematic table of contents and cross references to the past decade of volumes enhance usability for researchers, educators and students alike. **De Gruyter**

Gilded Rage Jacob Silverman,2025-10-09 What happens if the world s richest and most powerful men decide to dismantle democracy This is the story of the radicalization of Silicon Valley from Elon Musk to Peter Thiel David Sacks and Donald Trump and how it will affect the future of all our lives In *Gilded Rage* New York Times bestselling author Jacob Silverman takes us inside the surreal high stakes world of Silicon Valley This is the story of the political awakening and radicalization of a cabal of tech billionaires and their descent into ideological extremism Flush with cash from the zero interest era addicted to their own mythology these men have began reshaping the world in their image and it should terrify us all At the center is Elon Musk the mogul whose obsession with the woke mind virus has turned him from a tech innovator to an ideological crusader But Musk is just the beginning Silverman maps a sprawling network of radicalized elites from Peter Thiel and JD Vance to the financiers bankrolling Donald Trump s return who are using their platforms and their money to ensure a political revolution that s already underway This is not just a book about tech It s about power We meet the billionaires funding life extension labs and embracing apocalyptic visions of AI We examine the populist rhetoric that is leading to the ruthless dismantling of democratic norms And we enter the strange darkly comic world of the tech oligarchy where libertarian dreams meet authoritarian impulses and where the people with the most influence over our lives are the least accountable Silverman travels from San Francisco to Miami New York to DC following a movement that s rewriting the rules and oftentimes fighting a war against reality itself With sharp reporting and a cast of extraordinary characters *Gilded Rage* is a gripping essential dispatch from the front lines of the billionaire revolution If you want to understand who is trying to control the future and why then this is the book you need to read

The Presidency of Donald J. Trump Julian E. Zelizer, 2022-04-12 Leading historians provide perspective on Trump's four turbulent years in the White House The Presidency of Donald J. Trump presents a first draft of history by offering needed perspective on one of the nation's most divisive presidencies Acclaimed political historian Julian Zelizer brings together many of today's top scholars to provide balanced and strikingly original assessments of the major issues that shaped the Trump presidency When Trump took office in 2017 he quickly carved out a loyal base within an increasingly radicalized Republican Party dominated the news cycle with an endless stream of controversies and presided over one of the most contentious one term presidencies in American history These essays cover the crucial aspects of Trump's time in office including his administration's close relationship with conservative media his war on feminism the solidification of a conservative women's movement his response to COVID 19 the border wall growing tensions with China and NATO allies white nationalism in an era of Black Lives Matter and how the high tech sector flourished The Presidency of Donald J. Trump reveals how Trump was not the cause of the political divisions that defined his term in office but rather was a product of long term trends in Republican politics and American polarization more broadly With contributions by Kathleen Belew Angus Burgin Geraldo Cadava Merlin Chowkwanyun Bathsheba Demuth Gregory Downs Jeffrey Engel Beverly Gage Nicole Hemmer Michael Kazin Daniel C. Kurtzer James Mann Mae Ngai Margaret O'Mara Jason Scott Smith Keeanga-Yamahtta Taylor and Leandra Zarnow
