A workplace reunion at the television station where I formerly worked sounded exciting. And the theme of the reunion is a Murder Mystery Party so that should be fun, right? Wrong. My first horror was coming face to face with my ex-boyfriend and his brand new gorgeous wife. Second the party happened to coincide with one of the worst storms of the season knocking out utility lines and cell service. And when my less-than-beloved ex-boss becomes the Murder Party's fake victim, me and my team are tasked with solving the fake murder before anyone else. The only bright spot: The sexy cameraman with the sparkling blue eyes and soft full lips who happens to be on my team. But what started out as a game quickly became all too real when I stumble upon the actual dead body of my ex's new wife. Did someone take the game too seriously? Is there a real murderer among the partygoers? Can following the clues to a fake murder help me solve a real one? Trapped by the storm with players disappearing and time running out, I find myself in the middle of a deadly game of cat and mouse where not everyone will make it out alive.

He and Jill were at a conference in the state capital gone since last Sunday night. He'd been great to keep in touch, calling when he knew I'd be alone, usually about this time of day and again late enough at night we had lots of time to talk. Did he really know me that well, my schedule? Apparently. Made me feel a happy little bubble of joy like we were really a couple. Weren't we? Good morning, Miss Fleming, he said in that deep gravel voice of his that made me shiver and grin all over again. I'm bored, silly, ready to come home tomorrow and wishing you'd come with me instead of Jill. Well, growl. Sheriff Turner. With Petunia's and the annex packed to the brim, Fee's business is booming. When the yacht club's president dies under mysterious circumstances, she discovers her bed and breakfast isn't her only source of employment. Newly partnered with her father in Fleming Investigations, Fee reaches out to Crew to come home and solve the case. Trouble is, he's vanished and no one will tell her where he's gone.
