There's just something about Marla that makes the neighbors and overworked cops think she can help solve the case no matter how many times she tells them she was just a pretend sleuth who never worked off script. Trusting that Marla can get an insider's take on the suspects, the police chief pairs her with Rex Alcorn, an ex-cop who lives in the same condo complex. Rex is less than enthusiastic about working with a lay person who's also a celebrity, but he owes the chief from way back and doing this favor should get the guy off his back. And even Marla has to admit he's not bad to look at. But Marla's scripted takedowns didn't prepare her for murky clues, quirky condo residents, and the cagey methods of her new partner. Can she and Rex solve the crime before an all too real killer puts them in danger too?
