Interstate and Foreign Commerce, 1968 *Watching TV* Harry Castleman, Walter J. Podrazik, 2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline *Watching TV* provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days *Watching TV* is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format *The Year of the Blue Snow* Mel Marmer, Bill Nowlin, Clem Comly, James Forr, Russ Lake, Len Levin, 2013-07 Catcher Gus Triandos dubbed the Philadelphia Phillies 1964 season the year of the blue snow a rare thing that happens once in a great while The Phillies were having a spectacular season in which everything was going right They held a 6 1 2 game lead at the conclusion of play on September 20 With just 12 games to play they seemingly had it made But the Cincinnati Reds and St Louis Cardinals never gave up and when the Phillies lost ten consecutive games it became a thrilling pennant race for Cardinals and Reds fans but a horrific collapse for Phillies fanatics But wait a minute When it was seemingly too late the Phillies finally won a game and the first place Cardinals lost two games to the lowly New York Mets so on the last day of the season there was the distinct possibility of a three way tie for first place It would have been a first in baseball history On the final day of the season the Phillies beat the Reds handily 10 0 All eyes and ears were fixed on the Mets Cardinals game Could the Mets knock off the first place Cardinals for a third straight game The Mets carried a 3 2 lead into the bottom of the fifth inning but finally succumbed 11 5 But what a season for Phillies fans Jim Bunning had thrown the first perfect game in the last 84 years of NL history The hero of the 1964 All Star Game was the team's right fielder Johnny Callison who brought the National League victory with the third walk off home run in the history of the All Star Game The team also boasted the electrifying NL Rookie of the Year the team's slugging third baseman Richie Allen later called Dick Allen St Louis won the pennant and went on to beat the Yankees in the World Series But in Philadelphia the 64 campaign left an ache that lasted for years The 1964 Phillies not only lost the pennant but following 1964 they got steadily worse This book sheds light on the facts for the reader to determine answers to lingering questions they may still have about the Phillies team in the 1964 season but any book about a team is really about the players A collaborative effort by 37 members of the Society for American Baseball Research SABR this work offers life stories of all the players and others managers coaches owners and broadcasters associated with this star crossed team as well as essays of analysis and historical recaps Includes Foreword by Mel Marmer Introduction by Mel Marmer Opening Day
