Way to open chakras (to reach Nirvana or to awaken Kundalini) providing the best results on all meaning indicators and, therefore, allowing to become the best player Sergey Tandilov, 2014-01-14

Working speaking for itself title of the present book was My Way to opening chakras to reaching Nirvana or to awakening Kundalini which unlike all other ways does not include dangerous and difficult respiratory exercises Pranayama and comprises a lot of very effective secrets of spiritual development while the known secrets of spiritual development remain invariable and ineffective thousands of years The present book could be entitled and characterized in following way too The easiest safest and combined Way to open chakras to reach Nirvana or to awaken Kundalini which author learned about existence of chakras only after he opened them An author of the present book elaborated logically and intuitively absolutely unique the only possible recommendations to reach spiritual realization opening chakras by the best in the author's sincere opinion Way The author opened 6 from 7 existing chakras as a result of two year special pleasant very effective very much facilitated combined occupations Please compare The most specialized discipline for the fastest opening chakras Sahaja yoga needs the same two years but of unpleasant occupations to open at least one chakra The author achieved fantastic results in intellectual games and he felt himself as the happiest person As though the effect of eternal superconductivity of energy in his body was observed All his organs worked like a clock There were objective and very pleasant feelings of that all his organs were washed by energy from chakras and that he will live 1000 years it will be especially important for you if you are not so young It gives all grounds to believe that rare and optimum from the point of view of internal pleasure and health and from the point of view of external productivity see below about increasing intellectual level opening majority of chakras was observed at the author The author even considers his level of development as further spiritual development after known at present levels of spiritual development This level was reached by the author in two weeks after his Ajna chakra opened It happened so fast because he did not stop following to entire without exceptions recommendations described in the present book after his Ajna chakra opened All these circumstances represent mentioned in the title of the present book meaning indicators distinguishing the described in the given book Way to opening chakras from known ways However author's chakras were opened during one month only since he made two mistakes led to two closings of chakras The author opened chakras after the first mistake again but unfortunately he could not open chakras after the second mistake Both mistakes and other cautions are described in the present book not to let you make mistakes The present document has such impact characteristic as perfect most probably the best guide for professional players and certainly all other ones The author's experience and his former wife's one say that mediocre player who opened chakras according to just this document begins to play such games as chess lawn tennis and Preference card game on professional and very very successful level Most probably the majority of players will reach the same success playing other games This circumstance represents one of mentioned in the title of the present book meaning indicators distinguishing the described in the given book Way to open chakras from

known ways Thus very substantial increase of author s intellectual level in that period when his 6 chakras were opened was expressed in his great successes in games chess lawn tennis and Preference card game Author s former wife also opened her Ajna chakra and just after it she won a match with a professional lawn tennis player a woman Their match passed in 1990 within the limits of competition in which the Physical Culture Institute which author s former wife studied in participated
