Postliterary Attention Theory: Reading, Fragmentation, and Meaning in the Digital Age Shaikh Afnan Birahim, 2025-09-22 Postliterary Attention Theory Reading Fragmentation and Meaning in the Digital Age explores how our ability to read deeply has eroded in an era dominated by feeds fragments and dopamine driven design Blending literary history media theory and cognitive science Shaikh Afnan Birahim traces the journey from modernist experimentation to TikTok snippets showing how attention itself has become a cultural battleground This book is both diagnosis and manifesto an invitation to reclaim slow reading as an act of resistance and rediscover the joy intimacy and meaning that only literature can provide

The Digital Future of English Simone Murray, 2025-07-18 More than any other academic discipline literary studies is the creation of print culture How then can it thrive in the digital era Early 1990s predictions of the book's imminent demise presented a simplistic either/or choice between the legacy of moribund print and triumphalist digital technology Yet we have grown to experience the two media as complexly interdependent and even complementary Clearly digital does not kill print But literary studies in the digital era cannot simply resume business as usual It is urgently necessary to reconsider the discipline's founding assumptions in light of digital technology The digital era prompts a rethinking of literary studies object of study as well as its methods theories audiences and pedagogical practices What counts as literature necessarily shifts in an age of proliferating born digital texts and do it yourself DIY online publication Where should literary studies sit institutionally and how might it graft contextually oriented social sciences methods onto its traditionally humanistic mode of textual analysis Why should literary study continue to marginalize emotional responses to texts when online communities bond via readerly affect Who is the audience for literary criticism in an age where expertise is routinely challenged yet communication with global book loving publics has never been technologically easier Finally how can we utilize digital tools to rejuvenate literary studies pedagogy and help English staff better connect with millennial age students Literary studies has been convulsed for decades by debates over electronic literature and more recently digitally aided distant reading But these discussions still mostly confine themselves to demarcating our proper object of study We need to think more expansively about digital technology's impact on the

Protect Paisley Hope, 2025-12-01 A wildland firefighter reconnects in a second chance romance with his late best friend's sister, the one that got away in the scorching hot second book in the BookTok viral Sky Ridge Hotshots series. Let me be your twin flame love. I walk into the local bar with my hotshot crew, dirty and exhausted, only to slam into my biggest regret: The twin sister of my lost best friend and the one who got away. Violette Taylor. I haven't seen her in years, but I haven't forgotten her either. I used to be Rowan to her. Now I'm just King, the guy who broke her heart, but not for the reasons she thinks. Violette, a nurse and single mom, is back in town for good and working hard to avoid anyone who reminds her of the past, especially a career hotshot like me. But when I fall into her care after an injury lands me in her burn unit, it feels like maybe it's fate. I know something she doesn't: life rarely offers second chances. I need to protect those I love. So if this is my chance to make things right, I'm taking it.

Tropes: Firefighter romance, Angst, Small town romance, Forced proximity, Second chance romance, Friend to Lovers, Hurt/Comfort, Workplace romance.

Fantasy Publishing Facts Jacob Smith, AI, 2025-02-20 *Fantasy Publishing Facts* explores the business and social science aspects of the fantasy genre, revealing the economic engines and social dynamics that drive this popular form of entertainment. The book delves into the publishing industry, examining sales data and market trends to understand the financial scale of fantasy literature. It also investigates reader demographics and the influence of social media on readership, providing a comprehensive view of the fantasy ecosystem. A key insight is the demonstration of how the fantasy genre functions as both a creative endeavor and a complex system. The book uses a data-driven approach, integrating economic analysis with social science insights to reveal the interplay between publishers and readers. For instance, author incomes and reader demographics are analyzed alongside social media trends to showcase the economic impact and social influences shaping the genre. The book progresses through four sections: starting with core concepts and methodologies, then analyzing the production side (sales, incomes, publishing houses), followed by an examination of readership demographics, communities, social media, and finally synthesizing these findings to offer practical implications for authors, publishers, and marketers. This multi-dimensional approach makes *Fantasy Publishing Facts* uniquely valuable for anyone seeking a deeper understanding of the fantasy publishing world.
