The Branding of Right-Wing Activism Khadijah Costley White, 2018-08-02 From the start of Barack Obama's presidency in 2009 conservative populist groups began fomenting political fractiousness dissent and surprising electoral success The Tea Party was one of the major characters driving this story But as Khadijah Costley White argues in this book the Tea Party's ascent to major political phenomenon can be attributed to the way in which partisan and non-partisan news outlets branded the Party as a pot stirrer in political conflicts over race class and gender In other words the news media played a major role in developing cultivating and promoting populism's brand particularly within the news

spaces of commentary and opinion Through the language of political marketing branding and promotion the news media not only reported on the Tea Party but also acted as its political strategist and brand consultant Moreover the conservative press acted more as a political party than a news medium deliberately promoting the Tea Party and aiding in organizing headlining and galvanizing a conservative political base around specific Tea Party candidates values and events In a media environment in which everyone has the opportunity to tune out tune in and speak back The Branding of Right Wing Activism ultimately shows that distinctions between citizens journalists activists politicians celebrities and consumers are more symbolic than concrete

Zero to Rich Fiona Smith,2024-02-28 An invigorating and fresh take on building a bright financial future In Zero to Rich Secrets to Becoming a Millionaire by 30 celebrated personal finance blogger Fiona Smith delivers an energizing new approach to achieving financial security and independence without living like a monk You ll discover how to improve your emotional social intellectual and most importantly financial wellbeing as you implement the straightforward lessons taught by the author From clarifying your money goals to paying off high interest debt you ll get step by step guidance on how to achieve your most critical money milestones The book provides personal anecdotes illuminating stories from real people informational graphics and engaging end of chapter challenges and exercises to help you get started on your new path to financial freedom You ll also find Easy to follow advice on how to start investing including the use of tax advantaged accounts and 401k plans Strategies for maximizing your earnings like negotiating your salary and building a business or side hustle Techniques for improving your financial security right now including budgeting and insurance planning An essential financial self improvement resource for anyone interested in building a brighter future for themselves their family and the people they love Zero to Rich is packed with the expert personal finance knowledge you ll wish you learned in grade school

A Life in Movies Irwin Winkler,2019-05-07 A lively memoir a first hand work of cinema history the testament of a pivotal figure in American moviemaking Martin Scorsese The list of films Irwin Winkler has produced in his more than fifty year career is extraordinary Rocky Goodfellas Raging Bull De Lovely The Right Stuff Creed and The Irishman His films have been nominated for fifty two Academy Awards including five movies for Best Picture and have won twelve In A Life in Movies his charming and insightful memoir Winkler tells the stories of his career through his many films as a producer and then as a writer and director charting the changes in Hollywood over the past decades Winkler started in the famous William Morris mailroom and made his first film starring Elvis in the last days of the old studio system Beginning in the late 1960s and then for decades to come he produced a string of provocative and influential films making him one of the most critically lauded prolific and commercially successful producers of his era This is an engrossing and candid book a beguiling exploration of what it means to be a producer including purchasing rights developing scripts casting actors managing directors editing film and winning awards Filled with tales of legendary and beloved films as well as some not so legendary and forgotten ones A Life in Movies takes readers behind the scenes and into the history of Hollywood Charming and anecdote packed popcorn for

movie nerds Newsweek A deftly written recollection of an eventful and happy life in a precarious and frankly insane business a remarkably clear eyed look behind the scenes of moviemaking Kevin Kline **Digital Platforms and the Global South** Philippe Bouquillion, Christine Ithurbide, Tristan Mattelart, 2023-12-01 This book addresses the issues raised by digital platforms in the Global South with an emphasis on the cultural stakes involved It brings together an interdisciplinary team of researchers including political economists socio economists geographers media sociologists or anthropologists who each explore these issues through an insightful case study at a local national regional or international scale While studying the strategies of some of the main US based Big Tech platforms or video streaming platforms towards the Global South the chapters also consider the often neglected active role local or regional actors play in the expansion of those Western digital players and highlight the existence of a constellation of local or regional platforms that have emerged in Africa Asia Latin America or the Middle East In addition to analysing the complex relationships of competition collaboration or dependence between these diverse actors this volume examines the ways in which the rise of these digital platforms has generated new forms of cultural entrepreneurship and participated in the reconfiguring of the conditions in which cultural contents are produced and circulated in the Global South This volume will appeal to readers interested in the transnationalisation of cultural industries or in the social political economic cultural and geopolitical dimensions of digital transformations and will be an important resource for students teachers and researchers in media communication cultural studies international relations and area studies programmes The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

more **The Routledge Handbook of Translation and Media** Esperança Bielsa, 2021-12-24 The Routledge Handbook of Translation and Media provides the first comprehensive account of the role of translation in the media which has become a thriving area of research in recent decades. It offers theoretical and methodological perspectives on translation and media in the digital age as well as analyses of a wide diversity of media contexts and translation forms. Divided into four parts with an editor introduction, the 33 chapters are written by leading international experts and provide a critical survey of each area with suggestions for further reading. The Handbook aims to showcase innovative approaches and developments bridging the gap between currently separate disciplinary subfields and pointing to potential synergies and broad research topics and issues. With a broad ranging critical and interdisciplinary perspective, this Handbook is an indispensable resource for all students and researchers of translation studies, audiovisual translation, journalism studies, film studies and media studies. The Open Access version of Chapter 1 is available at <http://www.taylorfrancis.com> and has been made available under a Creative Commons CC BY-NC-ND license.

To the Edge Philip A. Wallach, 2015-04-21 Were the radical steps taken by the Treasury Department and Federal Reserve to avert the financial crisis legal? When and why did political elites and the general public question the legitimacy of the government's responses to the crisis? In *To the Edge*, Philip Wallach chronicles and examines the legal and political controversies surrounding the government's responses to the recent financial crisis. The economic devastation left behind is well known, but some allege that even more lasting harm was inflicted on America's rule of law tradition and government legitimacy by the ambitious attempts to limit the fallout. In probing these claims, Wallach offers a searching inquiry into the meaning of the rule of law during crises. The book provides a detailed analysis of the policies undertaken from the rescue of Bear Stearns in March 2008 through the tumultuous events of September 2008, the passage of the TARP and its broad usage, the alphabet soup of emergency Federal Reserve programs, the bankruptcies of Chrysler and GM, and the extended public ownership of AIG, Fannie Mae, and Freddie Mac. Throughout, Wallach probes the legal bases of the government's actions and explores why concerns about the legitimacy of government actions were only sporadically grounded in concerns about legality and sometimes ran directly against them. The public's sense that government officials operated through ad hoc responses that favored powerful interests has helped bring the legitimacy of American governmental institutions to historic lows. Wallach's book recommends constructive and sensible reforms policymakers should take to ensure accountability and legitimacy before the government faces another crisis.

Saturday Afternoon Fever Jeff Stelling, 2024-11-07 SHORTLISTED FOR SPORTS ENTERTAINMENT BOOK OF THE YEAR AT THE SPORTS BOOK AWARDS 2025 Made me laugh and cry. Chris Kamara. Such an enjoyable book. Ally McCoist. Jeff's autobiography is a riot of humour and nostalgia. A great read. Phil Thompson. *Saturday Afternoon Fever* is great fun, right out of the top drawer. Paul Merson. A profoundly personal, warmly nostalgic and deliciously funny memoir by the legendary Sky Sports anchorman Jeff Stelling, chronicling a life spent obsessing about The Beautiful

Game ever since he was a little boy and underpinned by a deeply rooted love of football and of people For a quarter of a century the iconic Sky Sports football presenter Jeff Stelling was the face and voice of football television As the host of Soccer Saturday a results show with National Treasure status he expertly presided over a live panel of former footballers watching the most exciting sporting chapter of the weekend on the telly in front of a transfixed audience of millions watching unbelievably on the telly Beginning at midday and wrapping just after the Premier League s players had showered and changed the show s popularity stitched Stelling into the fabric of match day rituals up and down the country For fans the weekend didn t exist without an hour or four of Soccer Saturday Saturday Afternoon Fever is Stelling s moving and fascinating memoir a love letter to the game that has shaped and defined him as it has millions of other football fans across the UK This is the passionate engaging tale of one fan s journey from the terraces at Hartlepool s rainy Victoria Park in the 1960s to the sleek and salubrious confines of the Sky Sports studios an adventure that spans well over half a century and some of the most fast changing exciting periods in football s history
