AI for Designers Md Haseen Akhtar, Janakarajan Ramkumar, 2023-12-15 This book presents select research writings from researchers and professionals around the globe on the application potential and limitations of AI in different domains The topics covered include AI in product design AI in architecture design AI in textile design AI in interaction design and AI for society in general The book also discusses various cross applications of AI in other industrial sectors like urban planning and design AI for inclusive future etc The book is a valuable reference for designers in multidisciplinary areas This book is of interest for anyone who is a beginner researcher and professional interested in artificial intelligence and allied fields

AI Snake Oil Arvind Narayanan, Sayash Kapoor, 2024-09-24 From two of TIME's 100 Most Influential People in AI what you need to know about AI and how to defend yourself against bogus AI claims and products Confused about AI and worried about what it means for your future and the future of the world You're not alone AI is everywhere and few things are surrounded by so much hype misinformation and misunderstanding In *AI Snake Oil* computer scientists Arvind Narayanan and Sayash Kapoor cut through the confusion to give you an essential understanding of how AI works and why it often doesn't where it might be useful or harmful and when you should suspect that companies are using AI hype to sell AI snake oil products that don't work and probably never will While acknowledging the potential of some AI such as ChatGPT *AI Snake Oil* uncovers rampant misleading claims about the capabilities of AI and describes the serious harms AI is already causing in how it's being built marketed and used in areas such as education medicine hiring banking insurance and criminal justice The book explains the crucial differences between types of AI why organizations are falling for AI snake oil why AI can't fix social media why AI isn't an existential risk and why we should be far more worried about what people will do with AI than about anything AI will do on its own The book also warns of the dangers of a world where AI continues to be controlled by largely unaccountable big tech companies By revealing AI's limits and real risks *AI Snake Oil* will help you make better decisions about whether and how to use AI at work and home
