**What Kind of Parent Am I?** Nicole Letourneau,2018-06-23 Toxic stress can occur in any home rich or poor regardless of age education or walk of life Research has shown that adaptive supportive parents are the best at insulating their children from all but the biggest catastrophes Exposure to toxic stress in childhood can cause depression alcoholism obesity violent behaviour heart disease and even cancer in adulthood Parents who are less sensitive or attentive or who regularly misinterpret their children s needs can let too much stress trickle through or even cause it in the first place which can carry on to the next generation What Kind of Parent Am I uses specially created surveys to identify problem areas for parents With recommended resources and advice throughout Dr Letourneau informs and empowers parents to deal directly with their unique risks and challenges helping them become the best parents they can be

Return to Growth Volume One Jon Moynihan,2024-09-10 The UK has in recent years been suffering from what is nothing short of an economic crisis Growth has now completely stalled in those western democracies the UK included where high government spending and high taxes have steadily burgeoned decade after decade Free market economies now threaten to leave us behind in terms of wealth opportunity and standards of living At the end of Rishi Sunak s 2024 government expenditure was at 45 per cent of GDP and taxes were 36 per cent and rising yet still nowhere near sufficient to cover public expenditure The government s net annual borrowing is now a completely unsustainable 4.4 per cent of GDP with our overall national debt growing rapidly and alarmingly In this arresting and powerful manifesto for economic change Jon Moynihan analyses the UK s decades long stagnant economy and looks at what can be done to resuscitate it Combining rigorous research with unparalleled business experience he explores the key dynamics affecting economic growth ranging from government borrowing expenditure tax and regulation to the way national resources are deployed on non productive and futile growth stifling endeavours Ultimately Moynihan shows that unless we act now to reverse the decline by radically restructuring our economy to stimulate economic growth the UK risks stagnation financial collapse and a long term disintegration in our standard of living Ignore his warning at your peril

The Wiley Guide to Strategies, Ideas, and Applications for Implementing a Total Worker Health Program Linda Tapp, 2024-11-26

Addresses safety and health hazards through a holistic organization-wide approach to worker wellbeing. The Wiley Guide to Strategies, Ideas, and Applications for Implementing a Total Worker Health Program presents specific information and guidance for Total Worker Health (TWH) applications in a variety of industries as well as specific aspects of TWH. This book covers how existing safety and health activities can support and be integrated into TWH programs, exploring specific topics such as how TWH initiatives can benefit the construction industry, ways to borrow from successful safety committee operations, and the use of technology. The innovative ideas and techniques from diverse fields and from existing safety and health programs help readers maximize efforts and increase the chance of long-term success. Case studies are included throughout to elucidate key concepts and aid in reader comprehension. Written by safety, health, and wellness practitioners with real-world experience, this resource includes organizational approaches for implementing key prevention programs to solve problems across diverse worker populations. Guidance for improving the organization and design of work environments, including innovative strategies for promoting worker wellbeing, evidence of program effectiveness for addressing work conditions that impact mental health, fatigue, and sleep, and work-life conflict. Perspective of traditional safety and health professionals, emphasizing practical advice for practitioners throughout all chapters, and connecting the narrative as a whole. The Wiley Guide is an essential resource for safety, health, and industrial hygiene practitioners in industry, public services, government, insurance, and consulting, as well as others with safety and health responsibilities such as occupational medicine professionals.

Children's Mental Health and Emotional Well-being in Primary Schools Colin Howard, Maddie Burton, Denisse Levermore, 2019-10-14

Many teachers feel overwhelmed and lack confidence when it comes to dealing with mental health and emotional well-being of children in their classrooms.
