Shine the Light Jim Matthews,2024-06-11 The sandlot movement is a different animal drawing players of all ages back to their roots If you remember playing baseball in yards and alleyways or an open field you ll be glad to know the tradition continues in grownup leagues across the nation A lifelong fan of baseball both from a watching and a semi pro player author Jim Matthews spent his professional days as a television newscaster and sports broadcaster in Austin Texas After what he thought would be his last semi pro game ending with a home run he pondered what could fill the void of playing the game he loved Pondering this conundrum Matthews and lifelong friend and former Nike president Elliott Hill decided that going back to their roots sandlot baseball might be just what they needed Testing the waters with a few different teams and leagues including future rivals the Texas Playboys they decided to create their own team the Austin Moontowers But when it comes to playing on the sandlot as it was as a child the key was not if you won or lost Camaraderie not rivalry spurs you Shine the Light includes glimmers of friendships resurrected half a century later and new friendships with interesting and sometimes high profile players now part of the sandlot nation It shares a personal backstory about my dual heritage Hispanic and Scot Irish the parents who shaped Jim s character and tragedies mixed with soaring milestones Most of all this is a book about cross country adventures that landed Matthews back home to Austin and onto sandlots despite arthritic knees and a hip replacement It s about passion and esprit de corps that can only be found on base or in front of the pitching mound on a field that may be full of weeds or fire ants But when you re able to play the game you love in its purest form the small things that might bother most just come with the territory Find the Moontowers Baseball Club at instagram austinmoontowers and www moontowers co
