The Red Romance Book Andrew Lang, 2014-04-11 Now in this book we have made the old romances much shorter keeping the liveliest parts in which curious things happen Some of the tales were first told in Iceland eight hundred years ago and are mostly true and about real people Some are from the ancient French romances of the adventures of Charlemagne and his peers and paladins Some are from later Italian poems of the same kind Cupid and Psyche is older and so is the story of the man who was changed into a donkey These are from an old Latin romance written when people were still heathens most of them Some are about the Danes in England of whom you may have heard but there is not much history in them
