How to Start, Teach, & Franchise a Creative Genealogy Writing Class or Club Anne Hart, 2008-06-12

It s easy to start teach and franchise a creative genealogy writing club class or publication Start by looking at the descriptions of each business and outline a plan for how your group operates Flesh out each category with your additional research pertaining to your local

area and your resources Your goal always is to solve problems and get measurable results or find accurate records and resources Or research personal history and DNA driven genealogy interpretation reporting You can make keepsake albums scrapbooks put video online or on disc and create multimedia text and image with sound productions or work with researching records in archives oral history or living legacies and time capsules A living legacy is a celebration of life as it is now A time capsule contains projects and products items records and research you want given to future generations such as genograms of medical record family history family newsletters or genealogy documents diaries photos and video transcribed as text or oral history for future generations without current technology to play the video discs Or start and plan a family and or school reunion project or franchise business or event Another alternative is the genealogy related play or skit life story or memoir

Popular Health & Medical Writing for Magazines Anne Hart,2005 Here s how to transform your interest in popular health topics such as gene hunters medical trends self help nutrition current issues or pets into writing salable feature articles for popular publications Become a health aware feature writer journalist editor indexer abstractor proofreader information broker book packager investigative reporter pharmaceutical copywriter or documentary video producer Here are the skills you ll need to transform your interest in popular science into writing health and medical feature and filler articles or columns for a wide variety of publications For those who always wanted to write or edit medical publications scripts medical record histories case histories or books here s a guide with all the strategies and techniques you ll need to become a medical writer journalist or editor Whether you re a medical language specialist transcriber freelance writer editor indexer or want to be you ll learn how to write and market high demand feature articles for popular magazines on a variety of popular science subjects from health fitness and nutrition to DNA pet issues and self help You ll find not only how to techniques but contacts for networking associations and where to find the research You don t need science courses to write about popular science What you do need is dedication to writing journalism or editing freelance or staff Feature articles and fillers are wanted on popular health related subjects for general consumer women s men s and niche magazines

Tracing Your Baltic, Scandinavian, Eastern European, & Middle Eastern Ancestry Online Anne Hart,2005-06-06 Are you online and ready for global smart card and database genealogy for virtual travelers Here s how to search family history for nations bordering the Baltic Sea the Balkans countries Scandinavia Eastern Europe and the Middle East The nations listed in this guide all faiths include Finland Sweden Norway Denmark Iceland Estonia Latvia Lithuania Poland Armenia Assyria Greece Lebanon Syria and many other lands in the Middle East the Balkans Croatia Macedonia Bulgaria Eastern Europe Hungary and more Collecting details about people is moving toward smart card technology and its offspring The new wave in genealogy is authentication technology Authentication begins with new wave technology used to gather population registers Compare the new technology to the old method of door to door census taking tombstone tracings and city directory publishing No genealogists are not using smart cards this year but smart card technology is being used to compile population

registers in Europe The future holds a new wave of technology used for authentication for banking transactions being applied to other areas Currently this technology is used for collecting details for population registrars such as census taking The application for research is of interest to family historians librarians and governments It s already in use by private industry for electronic authentication Family history is now about intelligent connections whether it s a population registrar census detail or electronic identity for banking Smart card genealogy began in 1998 in Finland with governments seeking to put census and population registers in an electronic form that would be available to researchers and these applications are going global

102 Ways to Apply Career Training in Family History/Genealogy Anne Hart,2006-09-12 Here are 102 ways to use training in family history and genealogy when applied to real world careers in education business or government including creative entrepreneurial start ups With the future marriage of genealogy to smart cards online databases or similar authentication technology for family history population registration census and library research it may be easier to research family lines not only by DNA matches through DNA testing for deep ancestry but also with smart electronic cards designed for electronic identity It s also a way to track military records as another way to trace family history Careers and research may focus on various state libraries or historical associations History and family studies are part of an interdisciplinary liberal arts program that emphasizes research and writing Journalism courses help round out your ability to express in plain language the results of your reading explorations and interpretations Obtaining a degree or even taking one course or self study in Family Public or Social History can lead to broad interdisciplinary careers Graduate work in library science law journalism public history or genetics counseling with a double major in the life sciences and social work also lead to careers in which an historical education may be used

Search Your Middle Eastern and European Genealogy Anne Hart,2004 Includes information on doing genealogical research in Croatia Bulgaria Hungary Eastern Europe Poland and Greece and research techniques such as interpreting family histories and ancestry DNA test results collecting personal histories and interviewing older adults recovering and preserving documents and other forms of information

Dramatizing 17th Century Family History of Deacon Stephen Hart & Other Early New England Settlers Anne Hart,2005-02 Here is a step by step guide to writing historical skits plays or monologues for all ages from true life stories genealogy records oral history DNA driven anthropology social issues current events and personal history of early colonial era settlers Put direct experience in a small package and launch it worldwide You could emphasize the early New England 17th century settlers and their diaries of family life food clothing marriage spirituality customs or significant life events migrations work lifestyle or turning points Write your life story or your ancestor s or favorite historical person in short vignettes of 1 500 to 1 800 words Write a longer novel or a short play for school audiences Write a children s book with illustrations Write a skit a monologue or a play based on genealogy family history or significant events You can focus on relations between families or early settlers and Native American tribes or on personal family history marriages and inter family issues
