Go Brain Teasers Miki Tebeka,2021-08-26 This book contains 25 short programs that will challenge your understanding of Go Like any big project the Go developers had to make some design decisions that at times seem surprising This book uses those quirks as a teaching opportunity By understanding the gaps in your knowledge you ll become better at what you do Some of the teasers are from the author s experience shipping bugs to production and some from others doing the same Teasers and puzzles are fun and learning how to solve them can teach you to avoid programming mistakes and maybe even impress your colleagues and future employers Programmers love the Go golang programming language because of its efficiency and simple tooling But that doesn t mean programming in Go is without challenges like hidden dependencies that trip up the compiler and interesting string type conversions that differ from languages like Python Work your way through 25 short brain teasers and learn the nuances of Go in one of the most fun and creative ways around Challenge yourself and challenge your assumptions to gain a more in depth understanding of integers strings Unicode compiler behavior and a variety of subtle programming gotchas that might otherwise trip you up Just read a short program written in Go try to guess the output run the code yourself and then go to the next page for an explanation of the solution By working through these brain teasers you ll tighten up your Go programming skills and have lots of fun at the same time Taken from real world programming problems conference talks and meetup quizzes these brain teasers provide an effective learning tool that s as enjoyable as it is educational What You Need This book assumes you know Go at some level and have experience programming with it NOTE We use Go version 1.14.1 to run the code the output might change in future versions You will need a working Go environment you can download it from <https://golang.org/dl> You will probably want a good IDE for Go two of the most popular ones are Visual Studio Code and GoLand

Don't Stick Your Dick in a Blender Jonathan Roseland,2025-09-09 Women are dangerous Good yet naive men routinely wreck their lives because they stick their dick in a blender having sex with the wrong kinds of women STDs unplanned pregnancies false accusations mental health headcases and divorce make chasing skirts a dangerous game While lesser men retreat from the pursuit of women into the pixel powered pleasure world you have faith that your hunt for a virtuous woman will be fruitful You can t take a time machine

back to a more decent age to find a marriageable woman You re not ready to give up on your genetic purpose and start banging sex robots but you re tired of the transient meaningless flings with mediocre women You re likely underestimating just how risky sex a relationship or marriage is with the modern woman But you re also underestimating just how rewarding it is to win the commitment of a nice girl a truly feminine woman not at war with the natural order and intertwine your essence with hers Don t Stick Your Dick in a Blender is an irreverent politically incorrect exposition of the state of dating in the current year And a playbook of counter intuitive approaches advanced social dynamics lifehacks along with filtering strategies for avoiding the time wasters and inglorious skanks How to meet a nice girl Meeting a wife material woman Yes it s still possible Dating post COVID 19 The global pandemic plandemic has changed the game you must adapt The truth about marrying an exotic foreign woman Is it for you Online dating Navigating the digital minefield of fakers flakes liars and scams Mindset demystified Deprogramming the mainstream and counter culture mindsets that cost you love Dating abroad How to do it without getting royally screwed Avoiding the friend zone Advanced persuasion and sexual signaling methods Seducing a virgin Why this really matters and how to do it Eliciting yielding Yin energy Inspiring a woman to adopt your values Cultivating her devotion Get laid like a lover and get respect like a patriarchal provider Tantric sex hacks Up your bedroom skills with an arsenal of holistic biohacks both ancient and cutting edge for life changing sex Losing your virginity Perhaps you re a frustrated virgin or Incel disappointed with all the crappy advice about how to lose your virginity 33 steps are broken down for meaningfully losing your virginity And in these pages you ll get the red pills on dating sex and the fairer sex without the hopelessness and cynicism You ll learn about the four red flags of a blender deal breakers that should make you back away slowly from a woman You ll learn what qualifies as a virtuous woman with whom you might have a future And why there are reasons to be optimistic about finding love and even getting married one day This book is also a story of hope and redemption the memoir of a reformed pick up artist who enjoyed the decline all the way from America and Colombia to Ukraine and found edifying joy and meaning between the voluptuous thighs of a beautiful Bulgarian woman on the edge of Europe Includes 18 hour audiobook narrated by the author *How to prepare for the biology olympiad* Martyna Petrulyte,2019-05-09 Science competitions test a student s level of knowledge power of scientific reasoning and analytical thinking outside of the regular school curriculum A systematic approach and smart study regimen are both required to get good results in science competitions In this book you will find many tips and tricks for how to study and prepare for science olympiads Moreover you will learn how to boost your motivation cope with failures and anxiety before the tests defeat procrastination manage your time memorize information quicker and more effectively organize your study material read a science textbook plan your study schedule develop practical skills get into and survive in the lab Furthermore you will find essential test taking strategies for tackling the olympiad exams and example based tips on how to develop critical thinking and problem solving skills **Empire Man** Michael Dirubio,2015-11-22 In the future mankind has moved into the stars to
