Fred Kiel, 2015-03-17 Does the character of our leaders matter You may think this question was answered long ago Countless business authors and analysts have assured us that great leadership demands great character Time and again we ve seen that truth play out as once thriving organizations falter and fail under the guidance of leaders behaving badly Why then do so many executives remain skeptical about the true value of leadership character A winning strategy and a sound business model are what really matter they argue character is just the icing on the cake What s been missing from this debate is hard evidence data that shows not only that leadership character matters for organizational success but how it matters and concrete evidence that it leads to better business results Now in this groundbreaking book respected leadership researcher adviser and author Fred Kiel offers that evidence solid data that demonstrates the connection between character leadership excellence and organizational results After seven years of rigorous research based on a landmark study of more than 100 CEOs and over 8 000 of their employees observations Kiel s findings show that leaders of strong character achieved up to five times the ROA for their organizations as did leaders of weak character Return on Character goes on to reveal How leadership character is formed how it creates value and how that value spreads throughout the organization How low character leaders undermine the success of even the best business plans

How leaders at any level can develop the habits of strong character and unlearn the habits of poor character The book also provides a character building methodology step by step advice and techniques for assessing your own character habits and improving your performance and that of your organization Return on Character provides the blueprint for building your own leadership character and creating a character driven organization that achieves superior business results **The Decoded Company** Leerom Segal, Aaron Goldstein, Jay Goldman, Rahaf Harfoush, 2014-02-20 A powerful guide to building a data centric corporate culture that unleashes talent and improves engagement Amazon delights customers with recommendations that are spot on Google amazes us by generating answers before we've even finished asking a question These companies know who we are and what we want The key to their magic is Big Data Personalizing the consumer experience with the collection and analysis of consumer data is widely recognized as one of the biggest business opportunities of the 21st century But there is a flip side to this that has largely been missed What if we were able to use data about employees to personalize and customize their experience to increase their engagement help them learn faster on the job and figure out which teams they should be on In this book Leerom and his colleagues outline the six principles they've used to decode work and unlock the maximum potential of their talent and share success stories from other organizations that have embraced this approach The Decoded Company is an actionable blueprint for any company that wants the best from its people and isn't afraid of radical approaches to get it Leerom Segal is the president and CEO of Klick and has been named Entrepreneur of the Year by the Business Development Bank of Canada won the Young Entrepreneur of the Year award from Ernst and Young and was named to Profit Magazine's Hall of Fame as the youngest CEO ever to lead a nonprofit company Aaron Goldstein is the co founder of Klick and is a Senior Certified Project Manager Professional Jay Goldman was Head of Marketing at Rypple a venture backed startup acquired by Salesforce in 2012 and now known as Work.com He is the author of the O'Reilly Facebook Cookbook and he has been published in the Harvard Business Review Rahaf Harfoush is the author of several books including Yes We Did She was a contributor to the best selling Wikinomics and Grown Up Digital *When the rope snaps* Gerrit Brouwer, 2022-09-08 What would you do When the rope snaps is the shameless story of a tech entrepreneur who in the prime of his life loses control over his life his business his family and ultimately himself through wrong choices Raw moving and personal The author leaves no stone unturned This book is about the vulnerable side of entrepreneurship in tech Snap Judgment David E. Adler, 2009-06-03 Adler's argument is illuminating and reveals that when it comes to investing we should always have second thoughts about our first impressions Publisher's Weekly WHY YOUR INSTINCTS CAN BE YOUR 1 ENEMY AND HOW TO DEFEAT THEM David Adler's Snap Judgment is a well written entertaining review of human action in risky situations including stock market behavior and other risk facing situations In particular Adler recounts the conclusions of many practitioners and behavioral finance scholars who have studied such matters This book is well worth reading both for its practical advice for the novice and its wealth of illustrations for the pro Harry Markowitz Nobel Laureate

in Economics and father of modern portfolio theory David Adler has done a great public service by translating a dazzling array of research in economics and finance into practical terms that anyone can understand and profit from This book should be required reading for every investor Andrew W Lo Professor of Finance MIT Sloan School of Management Investing and managing your money on the basis of emotion instincts and intuition is a road straight to the poorhouse This book teaches you why and how to rid yourself of the irrational impulses that torment your portfolio Peter Navarro bestselling author of If It s Raining in Brazil Buy Starbucks and The Coming China Wars Adler s book makes a compelling case illustrated through engaging examples that the mind and the purse are well served by the triumph of analytic intelligence over intuition Gary Loveman Chairman President CEO Harrah s Entertainment Inc *Google Search and Tools in a Snap* Preston Gralla,2006-04-04 These days nobody really wants to learn everything there is about a product like Google Tools And even if you did who has the time to endlessly tinker and play with it until you figure everything out You just want a book that will quickly show you how to do things with Google Tools like perform power searches find pictures with Google Images find online bargains with Froogle use the Google Toolbar and discover the world with Google Earth Google Search and Tools in a Snap does just that Organized into a series of well organized bite sized quickly accomplished tasks the book lets you zero right in on the one particular task you want to accomplish quickly figure out what to do do it and then get back to using the plethora of Google Tools *Return to You (Letters to Nowhere Part 3)* Julie Cross,2013-12-08 1 Letters to Nowhere an Amazon 1 Bestseller in teen sports fiction 2 Return to Sender 3 Return to You IMPORTANT Note from the author Karen and Jordan s story will continue in shorter installments with more frequent releases If you haven t already please check out the full length novel LETTERS TO NOWHERE to read how the story began ABOUT RETURN TO YOU Letters to Nowhere Volume 3 How many dreams can you chase at once Even with bad boy TJ disrupting their morning workouts Karen and Stevie s daily battles with each other are sure to bring both of them closer to a national title at next month s championships It s the kind of feud that creates winning results Until a fall from the uneven bars shakes Karen s rock solid confidence Not only does she balk every time she so much as attempts a routine she s also facing all this without much support from Jordan After receiving some bad news Jordan s reluctance to listen to reason causes Karen so much frustration she begins to avoid him needing space to deal with her own issues He needs someone to force him to make the right choice he needs his dad to intervene and Karen knows this but is torn between her loyalty to Jordan and her concern for her coach s son Even though both paths lead to the same person Jordan it feels like she s choosing between two different people And then there s the growing tension between TJ and Stevie They re obviously on the verge of either ripping each other s heads off or ripping each other s clothes off It s hard for either Jordan or Karen to tell where those two are headed Tension is building from every possible outlet and there s bound to be an explosion of some kind in the very near future **Return From Divalia** Kyell Gold,2023-02-01 As the naive son of a barley farmer Coryn was lured into a night of adventure and sex by a cunning rat thief a night which left him in

debt for five long years Now the owner of a farm himself he has paid off his debt but finds himself longing to see the rat just one more time He returns to the capital city of Divalia in search of one more adventure and gets much more than he d bargained for

The Unconscious without Freud Rosemarie Sponner Sand, 2013-12-18 During the first ten years of his career in psychological medicine Sigmund Freud espoused a theory of unconsciousness which predated his own As Rosemarie Sand describes in *The Unconscious without Freud* he would evolve this theory over the course of his career and eventually apply it to his own psychological practice Once Freud's hypothesis of unconscious mental functioning was published the same professionals who had valued the traditional concept turned against what they considered to be a catastrophic logically indefensible revision The scientific investigation of unconscious influences was retarded for decades as a war zone opened between implacable opponents and intransigent defenders of the Freudian concept of unconscious mind In the din of this

battle the traditional theory free of the features which Freud's foes could not accept was forgotten Sand argues that a return to this original theory which psychotherapists and experimenters might both espouse could contribute to a cessation of hostilities and lead to the peaceful development of a theory of the unconscious one that is free from the stigma that is currently attached to Freudian theory

The Symphony in Australia, 1960-2020 Rhoderick McNeill, 2022-08-26 The Symphony remained a major orchestral form in Australia between 1960 and 2020 with a body of diverse and interesting symphonies produced during the 1960s and 1970s that defied the widespread modernist trends of serialism electronic music and indeterminism that seemed harbingers of the symphony's demise From the late 1970s onwards many Australian composers chose to work in styles that admitted modal and tonal melodic and harmonic elements with regular pulse Major cycles of symphonies by Carl Vine Brenton Broadstock and Ross Edwards began to appear in the late 1980s Other prolific symphonists like Paul Paviour 10 symphonies David Morgan 15 symphonies Philip Bracanin 11 Peter Tahourdin 5 John Polglase 5 and many others demonstrated a revived interest in the form This trend continued into the first two decades of the present century with symphonies by Matthew Hindson Katy Abbott Stuart Greenbaum Andrew Schultz Mark Isaacs and Gordon Kerry This renewed interest in the symphony reflects similar trends in Britain and the United States Rhoderick McNeill provides a comprehensive introduction to this large body of music with the aim of making the music and its composers known to concert goers music educators and students conductors and music entrepreneurs
