Old Town Road Chris Molanphy, 2023-10-06 In Old Town Road Chris Molanphy considers Lil Nas X's debut single as pop artifact chart phenomenon and cultural watershed Old Town Road was more than a massive hit with the most weeks at No 1 in Billboard Hot 100 history It is also a prism through which to track the evolution of popular music consumption and the ways race influences how the music industry categorizes songs and artists By both lionizing and satirizing genre tropes it's a country song built from an alternative rock sample a hip hop song in which nobody raps a comical song that transcends novelty and a queer anthem Lil Nas X troubles the very idea of genre Ultimately Molanphy shows how Old Town Road channeled decades of Americana to point the way toward our cultural future

Political Satire, Postmodern Reality, and the Trump Presidency Mehnaaz Momen, 2018-12-11 This book attempts to grasp the recent paradigm shift in American politics through the lens of satire It connects changes in the political and cultural landscape to corresponding shifts in the structure and organization of the media in order to shed light on the evolution of political satire on late night television Satire is situated in its historical background to comprehend its movement away from the fringes of discourse to the very center of politics and the media Beginning in the 1990s certain trends such as technological advances media consolidation and the globalization of communications reinforced each other paving the way for satire to claim a prized spot in the visual media a tendency that only gained strength after September 11 While the Bush presidency presented itself as an apposite target for satirists their stronghold on American television was made possible by a number of transitions in broader culture which are encapsulated in the shrinking space available for political engagement under neoliberalism This largely underestimated development can be understood through the framework of postmodernism which focuses on the relationship between language power and the presentation of reality These trends and transitions reached a climax in the 2016 election where President Trump was elected embodying what can only be considered a significant turning point in American politics The bigger narrative contains various subplots represented in the rise of the neoliberal economy the acceptance of postmodernism as the dominant cultural code and the role of the voyeur superseding that of the engaged citizen It is only through understanding each of these pieces and connecting them that we can comprehend the current political transformation The present moment may feel like a golden age of satire and it may well be but this book addresses the hardest questions about the realities behind such a claim what can we conclude about when and how satire is effective judging by the history of this genre in its various incarnations and how can the apolitical postmodern media landscape be reconciled with what the best of this genre has had to offer during times of political duress

Let it out and Let it in Ludger Storp, 2022-04-05 Dieses Buch ist keine chronologische Nacherzählung der Beatles Geschichte Es ist auch keine Auflistung ihrer veröffentlichten Platten Stattdessen versucht es Fragen wie diese zu klären Warum erwählt Leonhard Bernstein Songs der Beatles in einem Atemzug mit Camus und Sartre Warum vergleicht der Schriftsteller A.S. Byatt Eleanor Rigby mit Samuel Beckett Und warum hätte Steve Jobs die Masterband der Beatles aus dem brennenden Haus gerettet und nicht die der Stones Und es geht um die wichtigsten Einflüsse die auf die Beatles gewirkt haben Um schließlich zu verstehen wie aus Pop Kunst werden kann Das geht nicht ohne Bilder und Musik Deshalb finden Sie mehr als 120 QR Codes die Sie zu den entsprechenden Clips von YouTube oder zu Texten im Original weiterleiten

Oestreich, Scott Pleasant, 2015-08-14 As in many small towns in the South folks in Conway South Carolina fill the stands on fall Fridays to cheer on their local high school football squad In 1989 with returning starter Carlos Hunt at quarterback and

having finished with an 8-4 record in 1988 hopes were high that the beloved Tigers would win their first state championship. But during spring practice Coach Chuck Jordan, who is white, benched Hunt, who is black, in favor of Mickey Wilson, an inexperienced white player. Seeing this demotion of the black quarterback as an example of the racism prevalent in football generally and in Conway specifically, thirty-one of the team's thirty-seven black players, under the guidance of H. H. Singleton, pastor of Cherry Hill Missionary Baptist Church and president of the local NAACP, boycotted the team in protest. The season-long strike severed the town along racial lines as it became clear that the incident was about much more than football. It was about the legacy of slavery and segregation and Jim Crow and other points of tension and oppression that many people in Conway and the South had wrongly assumed were settled. While the 1989 season is long over, the story reverberates today. Chuck Jordan is still coaching at Conway High and he's still without that state championship. Meanwhile, Mickey Wilson is now coaching Conway's fiercest rival, the Myrtle Beach Seahawks. In the annual Victory Bell Game between Conway and Myrtle Beach, the biggest contest of the year for both teams, a veteran coach and his young protégé compete against each other against the backdrop of a racial conflict that bitterly divided a small southern town.
