Academic rivals to lovers is one of my favourite tropes, and this book delivered it perfectly. Lottie NetGalley review: An adorable, nerdy feel-good read that will leave you blissfully satisfied. NetGalley Review: I sped through this book and loved every minute. Poppy NetGalley Review: Accidental Romance by Amara Holt. Dive into Accidental Romance where fate plays matchmaker in the most unexpected ways, blending heartfelt emotion with a dash of serendipity. This enchanting narrative follows Charlotte Donovan, an aspiring romance novelist, and Richard King, a college basketball star, whose paths cross by mere coincidence. In a world where paths cross by mere coincidence, Charlotte and Rick couldn't be more different. She's the quiet observer; he's the life of every party. Yet destiny has a peculiar sense of humor, entangling their lives in a web of unexpected intimacy and misunderstood intentions. Waking up in Rick King's bed on Thanksgiving wasn't part of Charlotte's plan, nor was being discovered by their parents in what looked like a compromising tableau. In an instant, a mistaken assumption forces them into a charade, with Rick playing the part of Charlotte's devoted boyfriend. But what starts as a lie to save face begins to blur the lines between fiction and reality, leading them both down a path neither anticipated.

Accidental Romance is not just a story of mistaken identity and reluctant affection; it's a journey of self-discovery, acceptance, and the unpredictable nature of love. As Charlotte and Rick navigate the trials of public perception and personal insecurities, they find that the heart wants what it wants, and sometimes the most accidental circumstances can lead to the most deliberate choices of the heart. Perfect for fans of romantic comedies and contemporary romance, Accidental Romance promises a delightful blend of humor, heartache, and unexpected love. Whether you're a dreamer, a skeptic, or simply a lover of a good love story, Charlotte and Rick's tale of accidental love will captivate your heart and keep you rooting for love against all odds. Step into the world of Accidental Romance where love, destiny, and a touch of mischief make for an unforgettable adventure.
