will start pouring within the space of a few seconds and the heart will start pounding like a runaway sledgehammer on speed Your ENTIRE body will shake from head to toe after about 10 seconds or so of doing some of these routines at the right cadence and a minute or 2 minutes Well let s just say that even advanced BODYWEIGHT trainees will fall flat on their faces the first time they attempt some of the stuff I m outlining here And the average gym goer well he or she will be doing good to simply get into some of the positions mentioned here in let alone actually go for any period of time in terms of the exercises And amidst all this you ll lose weight OODLES of it and FAST Most importantly though you ll learn about the secret keys to burning fat off quickly and boatloads of it at that within the space of a few minutes or seconds when you first start out Hint it s not long drawn out routines at the gym and no it s NOT sessions on the treadmill and it certainly isn t pounding the pavement for hours until your bones joints and muscles literally CREAK with exhaustion Here are but SOME of the benefits you WILL get from following these exercises routines The secret KEY S that will enable you to blast fat off your frame quicker than every before And guess what though this works the best on hills you can certainly incorporate these keys into flat ground training as well Overall core strength from Cain and a solid chiseled midsection that will be the envy of onlookers The ability to literally see and feel fat melting off your frame specifically your midsection as you do these exercises And you will know what I mean once you cast a downward eye at your midsection as your gasping for AIR after a tough set of some of this A solid upper body workout and powerful wrists forearms shoulders and upper back all WITHOUT doing a single pushup or pull up Slim yet powerful thighs and toned strong calves with that diamond bursting out shape you ve always wanted yet never been able to get You ll be BUZZING with energy literally all day long after a few minutes of doing these exercises Rid yourself of irritable bowel syndrome the bane of modern day living it seems a bloated Buddha Belly that seems to bulge in all the wrong areas if you get my drift constipation another modern day malady and a host of other digestive issues that have likely been plaguing you for a while now You ll be loose and limber all day long after just a few SECONDS of these exercises and will feel like a trillion bucks as well Again that energy will just RADIATE from you onlookers will be amazed at the change in your internal energy levels and YOU will be left stunned at the ease and speed with which you tackle projects which previously took you forever or never to finish Sample workouts that will get the blood ROARING and the fat burning incinerator in your body going FULL BLAST but guess what These are but a few workouts The SKY and your imagination are the limit here in terms of the sheer number of workouts you can put together using these movements
