Amazon's Dirty Little Secrets Greg Jameson, 2014-08-01 Many people believe

that Amazon's success is the direct result of a strong user shopping experience. This however is only part of the reason why Amazon is the number one ecommerce company in the world for almost two decades. The real reason behind Amazon's success is that they have mastered the art of getting other people to market and sell for them. From affiliate partners that drive traffic to online reviews and ratings where customers tell other customers why they should buy a product to getting free publicity from shows like Oprah or 60 Minutes. Amazon is the online company to emulate. Amazon's Dirty Little Secrets will show you how you can accomplish this for your company. Amazon's Dirty Little Secret is getting others to do their marketing and sales for them. This is so powerful that Greg created an acronym using the word POWER. P: Plenty of traffic. O: Offer something for free. W: Win their trust. E: Engaging experience. R: Request an action. Additional tips: secrets. Anyone engaged in Internet sales and marketing will benefit from the specific examples in this book. *More Is More* Blake

Morgan, 2017-04-21. Less is more may be good advice for many efforts but it is terrible advice when it comes to customer experience. Brands that want to stay relevant must apply more energy, focus, and resources to creating knock-your-socks-off customer experiences than they ever did before. Companies that embrace a more-is-more philosophy work harder and go further to ensure that their customers have a positive experience. They do this through customer-focused strategies and leadership via operations, policies, and procedures that consider how the customer will fare in every scenario. Customer experience guru Blake Morgan walks you through the D O M O R E concepts that set businesses up for success by emphasizing the importance of relationships. Companies that do more: Design something special, Offer a strong employee experience, Modernize with technology, Obsess over the customer, Reward responsibility and accountability, Embrace disruption and innovation. *More Is More* offers practical advice for building or improving customer experience that you can apply immediately at your own organization. Time is of the essence; your customers are not willing to wait for you to get the customer experience right. Outlining the key areas you need to address immediately, *More Is More* will help you weather external changes, remain relevant, and thrive in today's ever-changing business landscape. **United States of Socialism**

Dinesh D'Souza, 2020-06-02. The New York Times, USA Today, Publishers Weekly, and Wall Street Journal Bestseller. For those who witnessed the global collapse of socialism, its resurrection in the twenty-first century comes as a surprise, even a shock. How can socialism work now when it has never worked before? In this pathbreaking book, bestselling author Dinesh D'Souza argues that the socialism advanced today by the likes of Alexandria Ocasio-Cortez, Bernie Sanders, Ilhan Omar, and Elizabeth Warren is very different from the socialism of Lenin, Mao, and Castro. It is identity socialism, a marriage between classic socialism and identity politics. Today's socialists claim to model themselves not on Mao's Great Leap Forward or even Venezuelan socialism but rather on the socialism that works in Scandinavian countries like Norway and Sweden. This is the new face of socialism that D'Souza confronts and decisively refutes with his trademark incisiveness, wit, and originality. He shows how socialism abandoned the working class and found new recruits by drawing on the resentments of race, gender, and

sexual orientation He reveals how it uses the Venezuelan not the Scandinavian formula D Souza chillingly documents the full range of lawless gangster and authoritarian tendencies that they have adopted United States of Socialism is an informative provocative and thrilling expos not merely of the ideas but also the tactics of the socialist Left In making the moral case for entrepreneurs and the free market the author portrays President Trump as the exemplar of capitalism and also the most effective political leader of the battle against socialism He shows how we can help Trump defeat the socialist menace
