Valuing Diversity Peter D. Hershock, 2012-12-06 Diversity matters Whether in the context of ecosystems education the workplace or politics diversity is now recognized as a fact and as something to be positively affirmed But what is the value of diversity What explains its increasing significance Valuing Diversity is a groundbreaking response to these questions and to the contemporary global dynamics that make them so salient Peter D Hershock examines the changes of the last century to show how the successes of Western style modernity and industrially powered markets have ironically coupled progressive integration and interdependence with the proliferation of political economic social cultural and

environmental differences Global predicaments like climate change and persistent wealth inequalities compel recognition that we are in the midst of an era defining shift from the primacy of the technical to that of the ethical Yet neither modern liberalism nor its postmodern critiques have offered the resources needed to address such challenges Making use of Buddhist and ecological insights Valuing Diversity develops a qualitatively rich conception of diversity as an emerging value and global relational commons forwarding an ethics of interdependence and responsive virtuosity that opens prospects for a paradigm shift in our pursuits of equity freedom and democratic justice The Cinema Book Bloomsbury Publishing,2019-07-25 The Cinema Book is widely recognised as the ultimate guide to cinema Authoritative and comprehensive the third edition has been extensively revised updated and expanded in response to developments in cinema and cinema studies Lavishly illustrated in colour this edition features a wealth of exciting new sections and in depth case studies Sections address Hollywood and other World cinema histories key genres in both fiction and non fiction film issues such as stars technology and authorship and major theoretical approaches to understanding film **The Movie Business Book** Jason E Squire,2016-08-05 Tapping experts in an industry experiencing major disruptions The Movie Business Book is the authoritative comprehensive sourcebook covering online micro budget movies to theatrical tentpoles This book pulls back the veil of secrecy on producing marketing and distributing films including business models dealmaking release windows revenue streams studio accounting DIY online self distribution and more First hand insider accounts serve as primary references involving negotiations management decisions workflow intuition and instinct The Movie Business Book is an essential guide for those launching or advancing careers in the global media marketplace *Media Marathoning* Lisa Glebatis Perks,2014-12-11 Media Marathoning Immersions in Morality is a scholarly study of the intense relationship between reader and story world analyzing the way audiences become absorbed in a fictive text and dedicate many hours to exploring its narrative contours Rather than view these media experiences as mindless indulgences media marathoning connotes a conjoined triumph of commitment and stamina Compared to more traditional slower paced media engagement patterns media marathoning affords readers greater depth of story world engagement maximizing the emotional and cognitive rewards of the media experience Through immersive marathoning experiences audiences can seriously engage with mediated questions about human nature and society refining our orientation toward morality through internal dialogue about the story and communication with other readers as we process the meaningful journey As digital technologies facilitate easier user centered access to media texts narratives increase in complexity and more readers seek immersive story world experiences marathoning looks to be the new normal of media engagement Drawing from qualitative studies of book film and television marathoners along with textual analysis of commonly marathoned stories Media Marathoning presents a holistic look at marathoning s cultural impact *Billboard* ,2000-03-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most
