Sherlock's Diseases of the Liver and Biliary System James S. Dooley,Anna S. Lok,Guadalupe Garcia-Tsao,Massimo Pinzani,2018-08-06 A new fully updated edition of the world s most famous book on liver diseases with updating of all areas and inclusion of new specific topics by internationally renowned specialists This brand new edition of the classic book on hepatology provides a concise clearly presented and well structured review across the whole spectrum of hepatobiliary diseases by some of the world s leading hepatologists and hepatobiliary specialists Where many other hepatology textbooks provide detailed accounts of basic science and clinical management Sherlock s Diseases of the Liver and Biliary System 13th Edition takes a different approach Concentrating on the clinical decisions to be taken and the relevant supporting data it is written and edited to maintain Sheila Sherlock s

unique approach in particular the clarity and layout of the text and the explanatory figures and tables The book is thus concise highly accessible and generously illustrated with over 700 attractive color figures There is a pithy approach to each disease based both on evidence and on the authors experience the hallmark of this book Based on these elements the 12th edition was awarded first prize in the 2012 British Medical Association Book Awards in the Internal Medicine category

Sherlock s Diseases of the Liver and Biliary System begins by introducing the anatomy and function of the liver to readers continuing then with in depth coverage of liver biopsy techniques and interpretation and fibrogenesis and its assessment There are then chapters on all aspects of liver and biliary disease including acute liver failure cirrhosis portal hypertension hepatic encephalopathy ascites hepatitis B and C alcohol and the liver non alcoholic fatty liver disease drug related liver reactions cholestatic autoimmune and genetic liver diseases benign and malignant tumours and not least liver transplantation There are also chapters on the liver in pregnancy in the neonate infancy and childhood in systemic diseases and in infections This new edition also features four new individual chapters focusing on coagulation non invasive assessment of fibrosis and cirrhosis vascular diseases of the liver and portal vein thrombosis and nutrition in liver disease Digital downloads of the figures from this edition are offered on a companion website Internationally recognized and loved world renowned hepatology book first published in 1955 Takes a one of a kind clinical approach maintaining Sheila Sherlock s clarity and legacy of presentation Full colour throughout with 700 illustrative figures Wide faculty of international contributors Sherlock s Diseases of the Liver and Biliary System 13th Edition is an ideal primer in hepatology for students and trainees in hepatology and gastroenterology and a valuable resource for all specialist gastroenterologists and hepatologists paediatricians pathologists radiologists general physicians and specialist nurses Urban Subversion and the Creative City Oli Mould,2015-03-27 Check out the author s video to find out more about the book <https://vimeo.com/124247409> This book provides a comprehensive critique of the current Creative City paradigm with a capital C and argues for a creative city with a small c via a theoretical exploration of urban subversion The book argues that the Creative City with a capital C is a systemic requirement of neoliberal capitalist urban development and part of the wider policy framework of creativity that includes the creative industries and the creative class and also has inequalities and injustices in built The book argues that the Creative City does stimulate creativity but through a reaction to it not as part of it Creative City policies speak of having mechanisms to stimulate individual collective or civic creativity yet through a theoretical exploration of urban subversion the book argues that to be truly creative is to be radically different from those creative practices that the Creative City caters for Moreover the book analyses the role that urban subversion and subcultures have in the contemporary city in challenging the dominant political economic hegemony of urban creativity Creative activities of people from cities all over the world are discussed and critically analysed to highlight how urban creativity has become co opted for political and economic goals but through a radical reconceptualisation of what creativity is that includes urban subversion we can begin to

realise a creative city with a small c *OECD Environmental Performance Reviews: Austria 2013* OECD,2013-11-06 This report is the third OECD review of Austria's environmental performance The report evaluates Austria's progress towards sustainable development and green growth with a focus on chemicals management and climate change adaptation

The green deal Great Britain: Parliament: House of Commons: Energy and Climate Change Committee, 2013-05-22 Three years into the life of this Parliament Ministers are unable to define what they hope to achieve through one of the Coalition's flagship policies It's impossible to assess policy if the Government itself cannot explain precisely what it is hoping to achieve At a time when gas and electricity bills are on the rise improving the energy efficiency of our homes could not be more important The Committee plans to monitor progress of the Green Deal over the coming years This report sets out seven key areas in which it will focus its scrutiny public awareness and communications take up levels energy and carbon savings financial savings and value for money access to the Green Deal and ECO customer satisfaction and supply chain and job creation It identifies a number of potential challenges which could lead to low take up of the Green Deal For example people in rented accommodation might have difficulty gaining consents from their landlords households might find the hassle of

building works too much to want to upgrade their property or cheaper sources of finance might be available from other sources If take up levels are low it will be important to understand why this is so that the policy can be improved The report calls on the Government to publish information showing how well the Green Deal is progressing The Committee also says that DECC should seek opportunities to collaborate with research organisations to maximise its understanding of whether the scheme is working well
