The Forgotten Realities of Men Marc Lafrance, Jean-Martin Deslauriers, Gilles Tremblay, Pauline Hoebanx, 2025-05-15 The *Forgotten Realities of Men* explores the complexities of contemporary masculinity, providing an empathetic look at men's lives while rejecting the politics of anger and resentment that often pit their challenges against those of women. Through in-depth research, ethnographic analysis, and interviews with men themselves, the contributors shed light on aspects of men's lived experiences that tend to be downplayed or overlooked: childhood sexual abuse, family violence, teenaged fatherhood, infertility, emotional expression, isolation, and depression, cultures of fear in sports, and controversial online communities. The *Forgotten Realities of Men* foregrounds the diverse circumstances characterizing men's lives and illuminates their impact on physical and mental health, family dynamics, professional responsibilities, intimate relationships, and personal identity. By fostering respectful debate, this compassionate collection serves as a call for solutions to many pressing issues facing men today.
