lives **Co-Piloting** Jim Haslam, John Driver, 2020-08-25 This is the remarkable story of one of our nation's luckiest business leaders of the 20th and 21st centuries. Its topics include sports, military history, and of course business principles that are sure to entertain and add value to readers of business books and memoirs. All proceeds from the sale of this book will benefit nonprofits that support small business, entrepreneurial and community-based ventures so that like Jim Haslam, others also may be afforded the chance to be fortunate in their own unique endeavors. Meet James A. Haslam II, Big Jim as he is called by friends and family. The details of his life, his family, and Pilot Company comprise a truly remarkable American story that has yet to be widely told, mainly because Haslam has always refused to write about himself. However, after years of less than gentle prodding from his loving family and though under duress, he has finally relented and agreed to pen the incredible story of luck and leadership that has taken him all over the world, has enriched lives in countless communities, and philanthropic endeavors, and has led to the growth of the beloved company he founded and still serves daily, even into his late eighties. A graduate of the University of Tennessee, Haslam played on the famous 1951 National Championship football team led by coaching legend and mentor General Robert R. Neyland, whose renowned Game Maxims inspired Haslam's own viewpoints of life and leadership in family business and in the art of giving back. From being promoted to Company Commander in Korea at the age of twenty-three to starting out at a small oil company with only one gas station, you will follow the unlikely, harrowing, and often hilarious story of luck and leadership that has led Jim Haslam and his family to serve an unbelievable number of industry, community, and philanthropic endeavors, affecting countless people in numerous communities, not the least of all Knoxville, and of course the beloved university. Haslam truly believes has afforded him so much opportunity in life. Through great loss and great luck, unforeseen tragedy and unlikely triumph, the story of the Haslams and Pilot Company offers a unique, entertaining, and encouraging perspective to family, faith, and the discovery of what really matters the most in life. Friends and family also offer their unique stories and insights, including contributions from Peyton Manning, Phillip Fulmer, Rick Barnes, Senator Lamar Alexander, former Walmart CEO Lee Scott, former Tennessee Governor Bill Haslam, and many more.
