Game Changers Volume 2 Rachel Reid,2024-03-25 Common Goal Veteran goaltender Eric Bennett has faced down some of the toughest shooters on the ice but nothing prepared him for his latest challenge life after hockey It s time to make some big changes starting with finally dating men for the first time Graduate student Kyle Swift moved to New York nursing a broken heart He d sworn to find someone his own age to crush on for once Until he meets a gorgeous distinguished silver fox hockey player Despite their intense physical attraction Kyle has no intention of getting emotionally involved He ll teach Eric a few tricks have some mutually consensual fun then walk away Eric is more than happy to learn anything Kyle brings to the table And Kyle never expected their friends with benefits arrangement to leave him wanting more Happily ever after might be staring them in the face but it won t happen if they re too stubborn to come clean about their feelings Everything they both want is within reach They just have to be brave enough to grab it Role Model The hits just keep coming for Troy Barrett Traded to the worst team in the league would be bad enough but coming on the heels of a messy breakup and a recent scandal Troy just wants to play hockey and be left alone He doesn t want to be in the news anymore and he definitely doesn t want to work on his online presence with the team s peppy social media manager Harris Drover can tell standoffish Troy isn t happy about the trade anyone could tell frankly as he doesn t exactly hide it well but Harris doesn t give up on people easily Even when he s developing a crush he s sure is one sided And when he sees Troy s smile finally crack through his grumpy exterior well That s a man Harris couldn t turn his back on if he wanted to Suddenly Troy s move to the new team feels like an opportunity for Troy to embrace his true self and for both men to surrender to their growing attraction But indulging in each other behind closed doors is one thing and for Troy being in a public relationship with Harris will mean facing off with his fears once and for all The Long Game Shane Hollander and Ilya Rozanov have been seeing each other for ten years and have kept it secret From friends from family from the league If Shane

wants to stay at the top of his game what he and Ilya share has to remain secret He loves Ilya but what if going public ruins everything Ilya is sick of secrets Shane has gotten so good at hiding his feelings sometimes Ilya questions if they even exist The closeness the intimacy even the risk that would come with being open about their relationship Ilya wants it all It s time for them to make the call and decide what s most important hockey or love Originally Published in 2020 **Role Model** Rachel Reid,2021-08-10 USA TODAY bestselling author Rachel Reid s next Game Changers hockey romance sees a grumpy professional hockey player meet his match in an out and proud social media manager The hits just keep coming for Troy Barrett Traded to the worst team in the league would be bad enough but coming on the heels of a messy breakup and a recent scandal Troy just wants to play hockey and be left alone He definitely doesn t want to work on his online presence with the team s peppy social media manager Harris Drover can tell standoffish Troy isn t happy about the trade but Harris doesn t give up on people easily Even when he s developing a crush he s sure is one sided And when he sees Troy s smile finally crack through his grumpy exterior That s a man Harris couldn t turn his back on if he wanted to Suddenly Troy s move to the new team feels like an opportunity for Troy to embrace his true self and for both men to explore their growing attraction But being together behind closed doors is one thing and for Troy being in a public relationship with Harris will mean facing off with his fears once and for all Need more Reid Don t miss The Shots You Take a sweet and sexy hockey romance about two ex best friends with benefits who are about to discover whether you can ever really have a second chance Available now Game Changers Book 1 Game Changer Book 2 Heated Rivalry Book 3 Tough Guy Book 4 Common Goal Book 5 Role Model Book 6 The Long Game *Indianapolis Eagles: The Second Period* Samantha Lind,2022-09-28 The Indianapolis Eagles Set Two contains the fourth fifth and sixth full length novels from USA TODAY Bestselling author Samantha Lind s best selling Indianapolis Eagles Series Protecting Her Heart Laura I believed in the fairytale The Happily Ever After The till death do us part fantasy little girls grow up believing in Unfortunately for me my happy ending was divorce and learning to find myself all over again I was done with men and relationships or so I thought until a stubborn hockey player was determined to show me what love could really be But could I fall for the fairytale a second time and trust that he would protect my heart Mark From the moment I laid eyes on her I knew she was made for me She was broken and I was determined to put her back together again I was here to prove she could have that fairytale love story after all To show her someone else can protect her heart and love her unconditionally Now I just have to convince her that someone is me Against The Boards Reese Blackwood I m called America s sweetheart They say I have the voice of an angel I almost gave all that up thanks to a traumatic experience at the start of my career Instead of letting it define me I chose to rise above I showed everyone what a woman on a mission could accomplish and now I m living my dream After one chance meeting my entire world changes Austin is every woman s fantasy and he wants me While the attraction is there for me as well I don t need any distractions right now Austin Jones Focused Driven I m the man I am today because I never let the idea of settling down

disrupt being the best I can during my hockey career But then Reese floats into my life and everything changes and now all I want to do is pin her against the boards They say opposites attract You can t get more opposite than Country Music s hottest female singer and a hockey player from Canada With competing travel schedules our instant attraction appears to be doomed from the start Can it really be love Or is it just a hot ice melting fling The First Intermission The core group of friends who found their happy endings are back still loving hockey almost as much as their women Now four years later the Eagles find themselves in the finals with home ice advantage and on the cusp of winning the Stanley Cup once again It all started with a second chance for Becca to just say yes to forever And is Kinley still living the dream after scoring the player What does life have in store for Madison and Richard now that they decided playing for keeps is much more satisfying than friends with benefits When Mark vowed to Laura he would protect her heart he meant it from the very beginning He was all in forever no matter what Reese and Austin s chance meeting turned their worlds upside down in a single instant Hot and heavy against the boards had their chemistry melting the ice Along with retirements new positions and additions to not only the team but each of the families come meet some new players who will lead us out of the First Intermission and into the second period
