The NHL's Mistake by the Lake Gary Webster, 2021-09-30 The Cleveland Barons should never have existed Born when the National Hockey League's California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it

Hockey Fight in Canada David Shoalts, 2018-09-29 In late 2013, Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers's bitter rival Bell Canada. The decision was met with equal parts fascination, shock and anger. When CBC rank-and-file employees came to believe their leaders missed a chance to hold on to at least a part of *Hockey Night in Canada*, a move that could have saved some of their jobs, their disappointment turned to outrage. This is also a story of great irony as the win proved to be costly for the victor in the first years. When Rogers sealed the \$5.2 billion twelve-year deal, it looked like the audacious play might just pay off. The Toronto Maple Leafs, with the biggest fan base in the country, appeared ready to shake off years of mediocrity and become playoff contenders, drawing legions of fans to Rogers's broadcasts in the process. In anticipation, Rogers gave *Hockey Night in Canada* a facelift, bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean. However, in January 2014, the Maple Leafs crashed hard and so did the ratings for *Hockey Night in Canada*. It was crushing news for Rogers, with cable cutting already shaping into an existential threat. On top of everything, Stromeo bombed as host and the network had to bring MacLean back. Then things got even worse by the middle of the 2015-16 season: the rest of the seven Canadian NHL teams missed the playoffs and ratings fell further, chasing away even more advertising dollars. Simultaneously, viewing habits were changing so quickly no one could predict what would happen next year, let alone in the next decade. Shoalts covers this story from the beginning and *Hockey Fight in Canada* details every fascinating play in this intersection of sports and business.

Havitz,Peter A. Morden,Diane M. Samdahl,2006-01-01 Multi method research study shows why leisure activities are as important for the unemployed as they are for the employed Can someone who is unemployed experience leisure or does that seem like a contradiction in terms If unemployed people can experience leisure how might it mitigate the negative effects of unemployment And what form then would that leisure take The relationship between leisure and unemployment has not received the attention it merits especially in North America Because research on leisure and unemployment must cross over areas of study as well as theoretical perspectives it can often seem conflicting and inconclusive Yet the need for an understanding of that relationship remains This groundbreaking book addresses that need Mark E Havitz Peter A Morden and Diane M Samdahl describe the sometimes surprising results of their multi method study of the effects of unemployment on leisure lifestyle and well being within Canada and integrate those results with literature

collected worldwide into a comprehensive picture Using in depth interviews quantitative experience sampling and standardized questionnaire data this fascinating book provides ample evidence that the lived experiences of the unemployed are incredibly diverse and the need for leisure is as intense for them as for the employed The authors also pinpoint changes in public policy and social service agency management at local provincial and federal levels that will better serve unemployed people and their dependents and enable them to use leisure activities to improve their lives The Hollywood Reporter,1992
