The Hail Mary Ginger Scott,2019-01-18 Sixteen years is a long time In a marriage it s a milestone On the gridiron it s a miracle Reed Johnson wants more time for everything but time is funny that way It can be cruel With a body that can t quite take the hits it used to and a heart tired of being torn in two different directions Reed is faced with a reality he s not quite ready for life without the game He became a man under Friday night game lights and in college stadium tunnels and without the grit and the glory that s earned ten yards at a time he s afraid of what kind of man he ll be But there s more than a game at stake now Reed s wife Nolan is afraid too She s seen what can happen when the love

of her life pushes himself too hard and she can't escape the nightmares she relives after almost losing her entire world to one single play on the field. There is no compromise when it comes to football. Same goes for the heart. You're either all in or you get crushed. For Reed and Nolan, the clock is ticking down. Time it does that. One way or another, they're going to have to make a choice. This is their Hail Mary. This is win or lose. The Hail Mary is book 3 in The Waiting Series, which follows high school sweethearts Reed Johnson and Nolan Lennox through football, life, love, and everything messy that goes along with it. The series begins with *Waiting on the Sidelines* and *Going Long*. *Going Long* by Ginger Scott, 2013. Can first loves really be forever? Nolan Lennox was strong, a survivor. She'd stood up to those who tore her down and found her purpose in life when she was at her lowest, her heart broken. And she was rewarded with the fairytale ending she'd always dreamed of. She spent four years loving Reed Johnson, the popular quarterback at her small town high school, earning his friendship first and eventually his heart. But fairytales are fiction, and life well, real life is messy. Can Reed and Nolan's love survive the growing pains that come along with truly growing up? For Reed Johnson, the dream was always football. But then Nolan Lennox took over his heart. Is he willing to give up his first love just to keep his true love? Or will he be too late? Reed and Nolan's story continues in *Going Long*, the sequel to *Waiting on the Sidelines*. **The Harper Boys Duet** by Ginger Scott, 2020-11-11. You know what they say about those Harper boys: they're wild. You can now read the award-winning Harper Boys duet in a box set. Book 1: *Wild Reckless*. Kensington Worth had a vision for her senior year. It involved her best friends, her posh private school in downtown Chicago, and time alone with her piano until her audition was perfected, a guaranteed ticket into the best music programs in the world. Instead, a nightmare took over. It didn't happen all at once, but her life unraveled quickly, a tiny thread that evil somehow kept pulling until everything precious was taken from her. She was suddenly living miles away from her old life, trapped in an existence she didn't choose, one determined to destroy her from the inside, leaving only hate and anger behind. It didn't help that her neighbor, the one whose eyes held danger, was enjoying every second of her fall. Owen Harper was trouble, his heart wild, and his past the kind that's spoken about in whispers. And somehow, his path was always intertwined with Kensington's, every interaction crushing her, ruining her hope for any future better than her now. Sometimes, though, what everyone warns is trouble is exactly what the heart needs. Owen Harper was consumed with darkness, and it held onto his soul for years. When Kensington looked at him, she saw a boy who'd gotten good at taking others down when they threatened his carefully balanced life. But the more she looked, the more she saw other things, too good things, things to admire, things to love, things that made her want to be reckless. And those things, they were the scariest of all. Book 2: *Wicked Restless*. Andrew Harper grew up in a house marked by tragedy. His older brother Owen did his best to shelter him, but you can only be protected from life's pain for so long. Eventually, you end up just feeling numb and isolated. Loneliness was the one constant in Andrew's life. Until one girl, met by chance in a high school hallway, changed everything. Emma Burke was a mystery, and all that was beautiful in this world, the only air Andrew ever wanted to breathe. She took the loneliness away and

filled it with hope and color and Andrew would do anything to keep her safe happy and whole But sometimes what feels good and right is what ends up hurting us the most And when Andrew and Emma are faced with an impossible decision Andrew is tested to see just how far he s willing to go for the girl who owns his heart Cuts are deep Scars are left behind And revenge beckons When Andrew finally gets his chance in college five years after his first love broke him completely he finds out old feelings don t really disappear just because you say you hate someone The more he tries to avenge all that he believes he lost the more he uncovers the real story of what happened years before Love is wicked But a restless heart is never satisfied beating on its own Can Andrew and Emma make it right before it s too late or will the ties that bind them now destroy their only chance at a future

Memphis Ginger Scott, 2018-02-23 My mom always said it was just something about the way he moved The same swagger Archie Valentine wore in the ring when he took his opponents down followed him like a halo everywhere he went But make no mistake about it he was no angel He was like a drug My mother was his addict I never understood it how love could make you blind and convince you to drink the poison Not until I met Memphis Delaney At first it was the familiar form He's a fighter built like a god from the past the kind of man the universe doesn't make anymore His eyes hide a story and every time I'm in his presence I want to keep reading him until I get to the end And then there's the way he moves His boxing is violent but beautiful and his body is a seductive weapon When he's in the ring he wears the stare of a man committed to the battle until his very last breath He could end me turn me into her Too much of him will leave me as a shadow and I've lost so much of myself already But I have discipline It came the hard way Lessons learned scars left behind and trust stripped away from life I will breathe his air but I won't fall for a man like him The only boxer who's ever going to break my heart is the one who gave me my name

Hold My Breath Ginger Scott, 2016-11-18 Fractions of seconds can do lots of damage One decision can ruin lives A blink can be tragic And loving a Hollister can hurt like hell I would know They say the average person can hold their breath under water for two full minutes when pushed to the extremes Will Hollister has been holding his for years The oldest of two elite swimming brothers Will was always a dominant force in the water But in life he preferred to let his younger brother Evan be the one to shine Evan got the girl and Will he got to bury all of the secrets A brother's burden the weight of it all nearly left him to drown The daughter of two Olympians my path was set the day my fingertips first touched water My future was as crystal clear as the lane I dominated in the pool swim hard win big love a Hollister My life with Evan burned bright He gave me arms to come home to and a smile that fooled the world into believing everything was perfect But it was Will who pushed me Will who really knew me And when all of the pieces fell it was Will who started to pick them up In the end the only thing that matters are those few precious seconds and what we decide to do while we still have them in our grasp
