Producing Children Peter C. Kunze, Victoria Ford Smith, 2025-04-15 Producing Children imagines the possibility indeed the inevitability of a creative relation between children as producers and consumers by revising the long established hierarchical relation between adults and children The chapters in this collection reveal that studying child produced culture complicates our received understandings of children s culture as culture by adults for children about children They also underscore children s literature as a cultural phenomenon that moves across and beyond genres forms and media As a whole this collection reveals that attention to child produced culture invites dialogue and collaboration across fields and disciplines invested in the critical understanding of children as embodied beings and childhood as both a stage of development and discursive construct with social political economic and cultural dimensions and influence With the ongoing vibrancy of childhood studies as a multidisciplinary area of inquiry studies of child produced culture provide scholars with an exciting opportunity to complicate enrich and expand theorization of childhood creativity children s culture and even children themselves

The Aesthetics of Collective Agency Simone Knewitz, Stefanie Mueller, 2024-10-30 Twenty first century Western culture is characterized by profound transformations in its forms of collective organization While traditional institutions of Western liberal democracies still wield significant political power new forms of collective agency most visible in progressive social protest movements but also in the global rise of populism have increasingly put pressure on established systems of collective organization The contributors to this volume explore the social political and aesthetic forms that collective agency takes in the twenty first century across a variety of media including social platforms such as TikTok multiplayer video games and contemporary lyric poetry

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service, 1996 Renegades Trevor Boffone, 2021 Renegades Digital Dance Cultures from Dubsmash to TikTok explores how hip hop culture principally music and dance is used to construct and perform identity and maintain a growing urban youth subculture This community finds its home on Dubsmash a social media app that lets users record short dance challenge videos before cross sharing them on different social media apps such as Instagram and Snapchat Author Trevor Boffone interrogates the roles that Dubsmash social media and hip hop music and dance play in youth identity formation in the United States These so called Dubsmashers privilege their cultural and individual identities through the use of performance strategies that reinforce notions of community and social media interconnectedness in the digital age These young people create a sense of identity and community that informs and is informed by hip hop culture As such the book argues that Dubsmash serves as a fundamental space to fashion contemporary youth identity To do this the book re appropriates the term Renegade to explain the nuanced ways that Dubsmashers take up visual and sonic space on social media apps to self fashion identity form supportive digital communities and exert agency to take up space that is often denied to them in other facets of their lives Foreign

Disinformation in America and the U.S. Government's Ethical Obligations to Respond Brian Murphy, 2023-04-18 The U S no longer has a free marketplace of ideas Instead the marketplace is saturated with covert foreign backed disinformation And despite the ethical obligations to act successive administrations have done nothing Additionally the decline in trust has left the door open for populism and illiberalism to enter Some believe the very fabric of American liberalism is at stake So what are the ethical responsibilities of the executive branch to counter covert campaigns such as the one coming from Russian backed disinformation circulating within the US Why has the government failed to act So far the practical challenges are daunting if the executive branch addresses the threat to the homeland The process to limit this problem is wrought with profound political implications By its very nature social media based disinformation is inextricably linked with existing complex societal cleavages the First Amendment and politics But the failure to do anything is a serious abdication of the government s ethical responsibilities This raises the question of where the line is for government intervention This work provides answers

Language Arts ELA classrooms this text presents ways in which teachers can use digital tools in the service of antiracist teaching and developing equity oriented mindsets in teaching and learning Addressing how the use of digital tools and literacy practices can be woven into current ELA curricula and with consistent sections each chapter covers a different aspect of digital tool use including multimodal texts critical media literacies connection building and digital composing Understanding that no classroom is a monolith Barnes and Marlatt s timely text presents practical applications and resources suitable for different environments including urban and rural contexts The volume is essential reading in courses on ELA literacy methods and multicultural education Advertising Creative Tom Altstiel, Jean Grow, Dan Augustine, Joanna L. Jenkins, 2022-05-06 Advertising Creative Sixth Edition gets right to the point of advertising by stressing key principles and practical information students and working professionals can use Drawing on personal experience as award winning experts in creative advertising this new edition offers real world insights on cutting edge topics including global social media business to business in house and small agency advertising In the new edition authors Tom Altstiel Jean Grow Dan Augustine and Joanna Jenkins take a deeper dive into the exploration of digital technology and its implications for the industry as they expose the pervasive changes experienced across the global advertising landscape Their most important revelation of all is the identification of the three qualities that will define the future leaders of this industry Be a risk taker Understand technology Live for ideas The latest edition addresses some of the key issues impacting our industry today such as diversity in the workplace international advertising and design in the digital age *Viral Cultures* Marika Cifor, 2022-06-07 Delves deep into the archives that keep the history and work of AIDS activism alive Serving as a vital supplement to the existing scholarship on AIDS activism of the 1980s and 1990s *Viral Cultures* is the first book to critically examine the archives that have helped preserve and create the legacy of those radical activities Marika Cifor charts the efforts activists archivists and curators have made to document the work of AIDS activism in the United States and the infrastructure developed to maintain it safeguarding the material for future generations to remember these social movements and to revitalize the epidemic s past in order to remake the present and future of AIDS Drawing on large institutional archives such as the New York Public Library as well as those developed by small community based organizations this work of archival ethnography details how contemporary activists artists and curators use these records to build on the cultural legacy of AIDS activism to challenge the conditions of injustice that continue to undergird current AIDS crises Cifor analyzes the various power structures through which these archives are mediated demonstrating how ideology shapes the nature of archival material and how it is accessed and used Positioning vital nostalgia as both a critical faculty and a generative practice this book explores the act of saving this activist past and reanimating it in the digital age While many books popular films and major exhibitions have contributed to a necessary awareness of HIV and AIDS activism *Viral Cultures* provides a crucial missing link by highlighting the powerful role of archives in making those cultural moments possible *Asia in the Old and New Cold Wars* Kenneth Paul

Tan,2023-02-06 This is a collection of essays marking the 30th anniversary of the historic Cold War's formal conclusion in 1991. It enriches Cold War studies, a field dominated by Political Science, International Relations, and History, with insights from Sociology, Anthropology, Cultural Studies, and Film and Media Studies. Through critical analysis of newspaper and magazine articles, films, novels, art exhibits, museums, and other commemorative sites that engage with the themes of conflict, violence, trauma, displacement, marginalization, ecology, and identity, the book provides rich and diverse perspectives on the complex relationship between the historic Cold War and its legacies on the one hand, and on the other, their impact on Asia, its plural histories and peoples, and their shifting identities, ideological beliefs, and lived experiences. Today we often speak of an Asian century and witness intensifying concerns over new cold wars or Cold War 2.0. A United States in decline and a China on the rise create conditions for a new superpower rivalry, with a trade war already being fought between the two competitors. Russia continues to flex its geopolitical muscles, launching a full-scale invasion of neighbouring Ukraine in 2022, as its strongman leadership yearns nostalgically for the good old days of the USSR. As grand narratives and strategies of the Cold War jostle to make sense of high-level geopolitical events, this book descends to the level of lived experience, zooming in on ordinary and marginalized peoples whose lives and livelihoods have been affected over the decades by the Cold War and its legacies.

The Media Swirl Carol Vernallis,2023-02-20 From fan-generated content on TikTok to music videos, the contemporary media landscape is becoming ever more vast, spectacular, and intense. In *The Media Swirl*, Carol Vernallis examines short-form audiovisual media: Beyoncé's *Lemonade* brief sequences from Baz Luhrmann's *The Great Gatsby*, TikTok challenges, YouTube mashups, commercials, and many other examples to offer ways of understanding digital media. She analyzes music videos by Beyoncé, Lady Gaga, Janelle Monáe, Kendrick Lamar, Anderson .Paak, and others to outline how sound and image enhance each other and shape a viewer's mood. Responding to today's political media landscape through discussions of Fox News and Presidential inaugurations, Vernallis shows how a media literacy that exceeds newscasts and campaign advertising is central to engaging with the democratic commons. Forays into industry studies, neuroscience, and ethics also inform her readings. By creating our own content and knowing what corporations, the wealthy, and the government do through media, Vernallis contends, we can create a more just world.
