Goodreads Choice On Sale Tutorial:

Violence in Popular Culture Laura L. Finley, 2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children s psychological health This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones video games such as Mortal Kombat young adult fiction including the trilogy The Hunger Games and more Not only does Violence in American Popular Culture provide a comprehensive review of the research about the effects of violence in media but it also offers detailed assessments of violent content in various expressions of popular culture In addition it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue

Summary of Reminders of Him Alexander Cooper, 2023-01-16 Reminders of Him A Comprehensive Summary Reminders of Him by Colleen Hoover was as of late conveyed and I understand there s been a lot of energy among her fans around the appearance of her freshest book What s more it s free on Kindle Unlimited to seek after a free starter Ensuing to getting Verity I didn t know whether her books were really a solid match for me but I ve been in the disposition for some feeling as of late so I regularly Hoover s latest conveyance was on my radar I similarly comprehended that Verity was a more prominent measure of faint opinion which isn t really what I m into which is perhaps why I didn t see the value in it Assists with recalling that Him seemed like it might be considerably more a misfortune and perhaps a bit sure which I understood I d will undoubtedly bounce on board with In Reminders of Him Kenna has actually gotten away from prison for a heavy drinker driving disaster that achieved her darling Scotty s passing After the incident she d learned she was pregnant and had gone to prison in a split second some time later By and by following five years she returns to town needing to see her young lady yet she ends up associating with Scotty s dearest friend who she hadn t met before then The contracted

type of this review is that this book is a fair type of unequivocally the sort of book it's meaning to be. Thusly if you want a misfortune y feeling you'll no doubt genuinely it. A more extended out variation of this is to say that my overall impressions of this were all things considered sure. Basically I found the central ardent plotline in it to be sweet and convincing. I partook in that there was an incredible development to their relationship which felt sensible. It helps that the piece and pacing are both solid which you'd expect from a pre-arranged maker like Hoover. Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could've transformed into a semi-putting story in some unsuitable hands down. In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly troubled. The male saint is an all-around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship. Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn't really set up dressed somewhat provocatively and wasn't the sort of individual watchmen required their youngster to get back. I adored her deformities and it made the story feel fairly more real to me. Here is a Preview of What You Will Get: A Detailed Introduction, A Comprehensive Chapter by Chapter Summary, Etc. Get a copy of this summary and learn about the book.

The Hush, Hush Saga - 101 Amazingly True Facts You Didn't Know G Whiz, 2013-12-20. know were possible Drive more clicks and sales with better performing Facebook ads Develop remarkable content with viral potential Manage your online reputation instead of letting it manage you Integrate social media into your SEO strategy and vice versa Leverage online influencers to promote your brand and become an influencer yourself

Gestures of Concern Chris Ingraham, 2020-07-27 In *Gestures of Concern* Chris Ingraham shows that while gestures such as sending a Get Well card may not be instrumentally effective they do exert an intrinsically affective force on a field of social relations From liking sharing posting or swiping to watching a TED Talk or wearing an I Voted sticker such gestures operate as much through affective registers as they do through overt symbolic action Ingraham demonstrates that gestures of concern are central to establishing the necessary conditions for larger social or political change because they give the everyday aesthetic and rhetorical practices of public life the capacity to attain some socially legible momentum Rather than supporting the notion that vociferous public communication is the best means for political and social change Ingraham advances the idea that concerned gestures can help to build the affective communities that orient us to one another with an imaginable future in mind Ultimately he shows how acts that many may consider trivial or banal are integral to establishing those background conditions capable of fostering more inclusive social or political change

Mediation and Multimodal Meaning Making in Digital Environments Ilaria Moschini, Maria Grazia Sindoni, 2021-11-15 This collection explores the mediation of a wide range of processes texts and practices in contemporary digital environments through the lens of a multimodal theory of communication Bringing together contributions from renowned scholars in the field the book builds on the notion that any form of digital communication inherently presents a rich combination of different semiotic modes and resources as a jumping off point from which to critically reflect on digital mediation from three different perspectives The first section looks at social and semiotic practices and the implications of their mediation on artistic production cultural heritage and commerce The second part of the volume focuses on dynamics of awareness cognition and identity formation in participants to digitally mediated communicative processes The book's final section considers the impact of mediation on shaping new and different types of textualities and genres in digital spaces The book will be of particular interest to scholars researchers and students in multimodality digital communication social semiotics and media studies

The Routledge Companion to Migration Literature Gigi Adair, Rebecca Fasselt, Carly McLaughlin, 2024-07-30 The *Routledge Companion to Migration Literature* offers a comprehensive survey of an increasingly important field It demonstrates the influence of the age of migration on literature and showcases the role of literature in shaping socio political debates and creating knowledge about the migratory trajectories lives and experiences that have shaped the post 1989 world The contributors examine a broad range of literary texts and critical approaches that cover the spectrum between voluntary and forced migration In doing so they reflect the shift in recent years from the author centric study of migrant writing to a more inclusive conception of migration literature The book contains sections on key terms and critical approaches in the field important genres of migration literature a range

of forms and trajectories of migration with a particular focus on the global South and on migration literature's relevance in social contexts outside the academy. Its range of scholarly voices on literature from different geographical contexts and in different languages is central to its call for and contribution to a pluriversal turn in literary migration studies in future scholarship. This Companion will be of particular interest to scholars working on contemporary migration literature and it also offers an introduction to new students and scholars from other fields. Chapter 15 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non-Commercial No Derivatives CC BY-NC-ND 4.0 license.

WHOLE Jeff Bauer, 2024-06-12 Jesus once said I have come that they may have life and that they may have it more abundantly. John 10:10b. If you are not experiencing abundant life in your walk with Jesus, it is my hope this book will help you in your journey.

Growth Through Grief Tom Pisello, 2023-10-16 There are very few books dealing with widowers, particularly men who have lost their spouse relatively early in life in their 40s, 60s, as opposed to their 70s, 90s, and the challenges they face. The author wrote this book to provide support and connection for this underserved segment of society and to propose a healing and growth framework. Widowers will be attracted to this book, especially those who have lost a wife while in middle age and still may have teenagers. It will also be used by ministers and hospice workers who minister to grieving husbands. A grieving husband will find this book helpful in his need to now reset his life's expectations. This book will provide readers with a sense of brotherhood with other widowers. Those who teach classes on grief will find this book to be a valuable resource that they can read and pass on to those they minister to. The benefit this book offers is peace, comfort, and a path forward as a widower navigates the new normal of living life without their spouse. This book is special because it addresses a neglected niche: the widower, and more specifically a widower who is younger, perhaps in their 40s, 60s. It also features poems and color artwork and will address the issue of loss from a practical, physical, emotional, and spiritual perspective. The message of this book is tied to this acronym: GRIEF: Grace, Reflection, Intention, Elevation, Faith.

Online Instruction Emily Mroczek, 2022-05-09 Online Instruction: A Practical Guide for Librarians provides an overview of online instruction teaching and programming in all types of libraries. It features actionable steps for starting and improving online programs. Starting with the history of online instruction and moving into creating a personal pedagogy, establishing organizational policies and procedures, and tips for general programming, author Emily Mroczek features specific examples from librarians to help readers find their way in the digital world. Public librarians, school librarians, and special librarians are featured with experiences and tips that can be modified and applied to any library setting. Ideas exist to help librarians learn from successes and mistakes and establish an engaged and productive online learning community. Mroczek identifies the pros and cons of different options available for online instruction, tips and tricks for engaging various audiences, and strategies for hybrid learning. Technical tips include pros and cons of various online platforms and streaming services, an in-depth look at Zoom, and a guide to evaluate and recommend specific digital resources.

in categories from content curation to games to calendars and scheduling Guidelines for navigating copyright law and staying up to date with accessibility standards serve as an educational starting point for librarians managers and program designers As technology online instruction and librarianship continue to evolve this book will help librarians navigate the ever changing functions and offer better instruction for their communities *The Newbie Author's Survival Guide* A.K. Taylor,2016-11 After crash landing into self publishing with nothing but the clothes she had on author AK Taylor fought for survival with trying to market her books on a small budget After two years of trial and error reworking refining and reaching out she has created the first survival guide for book marketing compiled of great tools and resources that can be used by any author during the rough times Comparing the book marketing wilderness with the real wilderness is how Taylor viewed the publishing world around her Growing up in the woods and learning survival skills has given her this unique viewpoint for a different kind of world When she started her search for information a book marketing survival guide didn't exist until now Short Have you ever been lost in the wilderness Being lost in the wilderness is more dangerous and scarier than being lost anywhere else and more things can happen Book marketing is just like being lost in the real wilderness with pitfalls dangerous plants and animals and knowing what is needed to survive during the rough times Using outdoor survival skills and applying them to book marketing AK Taylor has created the first survival guide for book marketing on a small budget

The Whole-School Community Read Margaux DelGuidice-Calemmo,Jeannette Balantic,2025-10-30 A comprehensive resource for librarians and teachers who want to implement a whole school community reading program in their schools Community reading programs can foster a love of reading increase student engagement build a community of readers and simultaneously improve literacy Yet it can be daunting to begin a new program at a busy school This guidebook provides a clear roadmap for librarians and teachers who wish to try a whole school community reading program with all ages of learners Beginning with a history of whole school reads authors DelGuidice Calemmo and Balantic describe how a community reading program can work for students at all levels and promote family connections through reading They offer advice on finding funding building successful collaborations within the school community and allowing students to have a voice in book selection Marketing makerspace and promotion ideas help encourage participation Learn how to use informal checkpoints and a final celebration to sustain and celebrate participants Finally come away with strategies to assess these programs and try variations to increase engagement Appendixes of resources provide practical tools for those ready to begin planning their own program **Listening to the Voices of Boys** Krista Griffin,2016-03-01 Motivation to engage in reading is a consistent problem for students in general and boys in particular To solve this problem we often seek answers from everyone but those we are hoping to motivate We read the latest article on motivation and think we have finally come up with the recipe that will motivate all of the boys in our class When it doesn't work for everyone we go back to the drawing board and try something else until we finally understand that all boys are motivated by different things That is the basis of this book nothing will work

for ALL boys but there are ways to equip teachers to find out how the boys in their classes are motivated It provides them with a direction to go once they ve established the needs of their students and offers suggestions for how to meet individual motivational needs Each chapter addresses a different motivational need providing background information and practical classroom applications *Technologies and Applications of Artificial Intelligence* Wei-Ta Chu,Chih-Ya Shen,Hong-Han Shuai,2025-05-14 This two volume set CCIS 2414 and CCIS 2415 constitutes the refereed proceedings of the 29th International Conference on Technologies and Applications of Artificial Intelligence TAAI 2024 held in Hsinchu Taiwan during December 6 7 2024 The 49 full papers presented in these two volumes were carefully reviewed and selected from 147 submissions The papers are organized in the following topical sections Part I Data Robustness Image Analysis Knowledge Representation and Management Games Machine Learning and Applications AI Studies JSAI Special Session 1 Part II JSAI Special Session 2 Japan Special Session 3 International Track Special Session
