Baseball, Golf, Wars, Women & Puppies Buck Peden, 2011-08-10 I started my autobiography Baseball Golf Wars Women Puppies with a grabber page from my first trip to the Vietnam War on board the USS PERKINS DD 877 Then I followed with a chronological rendition which covered a trip to the Korean War and another to Vietnam during my 20 years in the U S Navy on three other different naval vessels but began with the chronological format of a life of a river rat born somewhat infamously in 1932 on the banks of Memphis My life in sports approximately 16 years moonlighting as a photojournalist my college education followed by 12 years as executives with the Chicago White Sox 5 and Cubs 7 concluding with one of several ownerships of small companies rounded out my interesting career I originally planned to continue with my three trips to the Vietnam and Korean Wars including my injury and sad losses of shipmates and friends Then go to my childhood parenthood many exciting careers etc etc etc However it didnt take too long for me to decide the categories overlap in too many places Hence A few years later Elvis Presley arrived on the planet and eventually became internationally famous there Memphis long known as the Home of the Blues was to become also famous as the home of the King of Rock n Roll My first high school Whitehaven is only a few blocks from Elvis Graceland And my Southside High bride and I began training our dancing shoes to the big bands of the 40s and peaked with the rocking and twisting of the 50s and 60s Although only a senior to be in high school the Korean War found me an early enlistee Why Because I was a youngster almost entering teenage during World War II Everything was thrilling about the big one for a boy that age All the toys were guns tanks jeeps warplanes etc The war movies were always exciting and in most cases the hero ended up with the female star As I was a young budding teenager females were becoming of more interest in my life I have never met any male whose sex life began earlier than mine older girls are great teachers Also the U S Navy aircraft pilots were my idols Landing airplanes on a sea going vessel was my kind of challenge I was so hooked that I joined the Navy to become a fighter pilot The recruiter was surprised at how I could identify all aircraft of nations involved in WWII I even memorized the horsepower of power plant s plus the cruising and maximum speed of each airplane My favorite was our Corsairs F4U a gull winged propeller fighter It never occurred to me until this moment recalling this tidbit but one of these planes almost killed me However the moonlighting working a civilian job at night on shore duty between these wars helped prepare me for my career highlight era in Major League Baseball There is no doubt about it my leash of life is anchored to the sportsworld My youth was playing or inventing sports orientated things It gave me a second glance by people in the sportswriting and sportscasting fields This all led to sports columnist and sports editor jobs in the newspaper business This along with learning the print business was not only a challenge which I always relished but was mucho fun The many hours and stress involved led to more and more alcohol Which definitely made a honky tonk man out of me where there is plenty of wine women and song The latter threesomes were like a personal little cloud that follows me throughout most of this autobiography I wasnt able to attend college fulltime until I finished my 20

years in the U S Navy Then finishing With Honors gave my mother extreme pride after her total education was a small 12 total students high school in sticks of Mississippi I had almost completed by Masters Degree and CA Lifetime Teachers Credential when I got into Major League Baseball and went to Chicago Sports Business Management George Foster,Norm O'Reilly,Antonio Dávila,2016-01-08 Sports Business Management will equip students with a comprehensive understanding of the sport industry With a focus on management strategy marketing and finance the decision making approach of the book emphasizes key concepts while translating them into practice Foster O Reilly and D vila present a set of modular chapters supported with plenty of examples mini cases and exercises to help students apply the decision making approach to real world situations Covering an international array of sports and organizations including the Olympic Games FIFA World Cup US Major League Baseball and more the book also covers unique topics such as diversity in sport the impact of technology and social media Rounding this out the book provides around 50 Harvard Stanford cases along with case notes for instructors This is an ideal textbook for upper level undergraduate and graduate students of sports business and management fully supported by a companion website featuring PowerPoint slides test questions teaching notes and other tools for instructors **CALIFORNIA OIL AND GAS, A Business of Sports and Economy** Jimmy Hindle,2016-04-29 An expert craftsmanship of sports journalism and a powerful statement about the business of sports and economy Certain character depictions are fictitious to convey the utter seriousness of a sport s specification where the ownerships of Champcar waged a boycott against IndyCar and Indianapolis Motor Speedway IMS Otherwise oil and gas is a tightening up of economic realities the real people on the verge of a financial takeover and how such economies work in relation to Major Leagues Sports in historically speaking the most productive times in U S economy The Heists are back and Phil Elmach driving for James Sedgwick Only in oil and gas Elmach joins Jake Coote and the experts in the Sunshine State Turbochargers made the stealthiest cars and successively IndyCar s resolution of a sport s escalation costs To the supercops the top outfits in the Champcar IndyCar merger war pose a threat in a downturn economy and the owner teams recognize that tires aren t the only switch ups but teams transferring into IndyCar In the shuffle of cash egos and clashes everyone gets caught to the comic drama of staying steps ahead of a supercop In the chase the story distinguishes myth from the legendary figures Miles Deere s epic battles fit the grand schemes Ground effects sold on American March know how was a version of Desert Storm on neighboring Area 51 and runs open wheel cars in excess of constructor rules The Heists have nabbed the technology or at least former American March Jake Coote as advisor teammate to Elmach s own answers The Road to Texas Mike Roach,2022-10-04 Back to the start and behind the scenes on the Longhorns recruiting trail The University of Texas boasts one of the nation s most storied football programs and the recruiting acumen of coaches like Darrell Royal and Mack Brown plays a major role in that The Road to Texas is a wild ride into the competitive world of college football recruiting revealing how Texas s greatest players found their way to Austin Mike Roach takes fans back to the start and behind the scenes
