Gender, Masculinity and Video Gaming Marcus Maloney, Steven Roberts, Timothy Graham, 2019-11-23 This book examines gender attitudes in Reddit s popular video gaming community subreddit r/gaming Video gaming has long been understood as a masculinised social space

and while increasing numbers of girls and women now engage in the pastime boys and men remain the predominant social actors Furthermore the gaming community has been widely identified as a prime case study in broader concerns around toxic masculinity and gendered online harassment However there is also underexamined evidence of a growing movement in the community coming forward to voice its collective opposition Utilising an innovative combination of computational and qualitative methods the research undertaken here exposes this fuller picture revealing significant contestation and a spectrum of attitudes that mark out this popular gaming community as a battleground for gender in equality Students and scholars across a range of disciplines including gender studies media studies cultural studies sociology games studies and computer sciences will find this book of interest

The Reliable Field Guide To UFO Science, Media And Data Sources Stephen J. Dirac, 2022-07-29 What makes this UFO book different The Reliable Field Guide to UFO Science Media and Data Sources contains an incredible amount of research and source material including What Proof Is Out there The Various Hypotheses and Phenomena Relevant People Science Experts Programs and Projects Research Organizations Archives Databases and Government Reports 20th To Early 21st Century Researchers Authors and Documentarians Remember if you have been searching for an organized and holistic collection of data on this fascinating and divisive subject The Reliable Field Guide to UFO Science Media and Data Sources is the book you've been searching for Not another UFO Book This book is a complete and comprehensive 548 pages of solid resources and knowledge not just on the subject of UFOs but also a deep dive into the various branches and related concepts such as the Starseed Hypothesis the Sasquatch Bigfoot Phenomenon the Crop Circle Hypothesis the Men In Black Hypothesis and many more Is the TRUTH really out there Exceptional claims require exceptional proofs however and the concept of Unidentified Flying Objects is no longer purely in the realms of science fiction fantasy Recently with the latest improvements in image capturing and analytical technology and the proliferation of media and data sources we have acquired fantastic amounts of knowledge about the universe but still do not know how much more there is to be discovered As J B S Haldane once said The universe is not only stranger than we imagine it is stranger than we can imagine It is only natural that an intelligent and inquisitive mind fascinated by anomalous experiences should eventually turn its attention to the UFO mystery Whatever your position on UFOs from total believer to a complete skeptic it's always better to arm yourself with the most up to date information on what we currently know what we think we know and the people and personalities behind the theories and explanations of the various phenomena The Reliable Field Guide to UFO Science Media and Data Sources recognizes that the concept of UFO must also incorporate the possibilities of a wider spectrum of Unidentified Anomalous Phenomena UAP and explores these concepts and ideas thoroughly This book takes a wide holistic view of the subject and recognizes that the concept of UFO must also incorporate the possibilities of a wider spectrum of Unidentified Anomalous Phenomena UAP USO Unidentified Submerged Phenomena Psychic Phenomena Paranormal Survival of Consciousness after death Sasquatch Bigfoot Government Black Programs

Massanari, 2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In *Gaming Democracy* Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming *Gaming Democracy* is a novel contribution to our understanding of online platforms and far right political activism **Adweek** , 2009
