With the fear that her Mother would experience further cruelty from her Alpha Father, she agreed to her father's wishes. However, Alpha Eleo knew how greedy her father is, so he mocked her for being her father's mere pawn who was tossed upon his feet so that her Father could gain more power and wealth. He told her to go home and never dream of becoming his Luna. Would his rejection make her retreat and return to her Alpha Father as a failure? Or will she fight for her mate even if it seems impossible for him to accept her? Or would she run away both from his Alpha father's cruelty and from her Alpha mate's further rejection by accepting an offered love by someone else? Whatever her decision, could she find her real strength and value that will make Alpha Eleo chase her?
