World Series Guide Setup:

The 1903 World Series Andy Dabilis, Nick Tsiotos, 2015-01-27 The first World Series was a best of nine series between the Boston Americans and the Pittsburgh Pirates with the first three games to be played in Boston starting at the Huntington Avenue Grounds on October 1 1903 The series started with baseball's winningest pitcher Cy Young throwing the first pitch and ended with baseball's greatest hitter Honus Wagner striking out on the last pitch Boston won the series five games to three Each game of the 1903 World Series and its key plays and players are thoroughly covered here and the authors also pay special attention to the great significance that first World Series held for the future of baseball Not only was the survival of the American League at stake but baseball's place as the preeminent sport in America The 1903 World Series drew more than 100 000 people to the ballparks and there was no doubt about the popularity of the game It was as the authors point out played by men who had they not been baseball players would have been among the working class that made up most of the audience
