Mid Atlantic Manual Therapy Consultants:

The Washington Manual Pulmonary Medicine Subspecialty Consult Adrian Shifren, 2006 Written by residents fellows and attending physicians this handbook is ideal for residents called on to do an inpatient consult for students working on an inpatient medicine service and for specialists seeking information on pulmonology and general internal medicine management Chapters cover pulmonary function testing respiratory failure hemoptysis solitary pulmonary nodule community acquired pneumonia pulmonary embolus and much more Coverage includes a section on the appropriate conduct and approach of a medical consultant and reviews of selected clinical trials Physical Therapy, 1967 Handbook of Community Psychiatry Hunter L. McQuiston, Wesley E. Sowers, Jules M. Ranz, Jacqueline Maus Feldman, 2012-06-05 During the past decade or more there has been a rapid evolution of mental health services and treatment technologies shifting psychiatric epidemiology changes in public behavioral health policy and increased understanding in medicine regarding approaches to clinical work that focus on patient centeredness These contemporary issues need to be articulated in a comprehensive format The American Association of Community Psychiatrists AACP a professional organization internationally recognized as holding the greatest concentration of expertise in the field has launched a methodical process to create a competency certification in community psychiatry As a reference for a certification examination that effort will benefit enormously from a comprehensive handbook on the subject **Psychotherapy for the Treatment of Substance Abuse** Marc Galanter, Herbert D. Kleber, 2011 In Psychotherapy for the Treatment of Substance Abuse leading authorities on substance abuse treatment techniques review and illustrate the most common interventions for opioid related and alcohol related substance abuse disorders as well as crucial methodologies for testing and patient placement Methods reviewed include self help fellowships such as Alcoholics Anonymous cognitive behavioral and psychodynamic treatments motivational enhancement group and family therapy contingency management and the multimodal approach called Network Therapy which recruits the support of friends and family to prompt abstinence and prevent relapse Each chapter includes vivid case studies to illustrate the approach described as well as a review of the key clinical concepts and a list of essential readings Adapting a new clinically focused manual from their popular American Psychiatric Publishing Textbook of Substance Abuse Treatment now in its fourth edition Dr Galanter and Dr Kleber have designed Psychotherapy for the Treatment of Substance Abuse to be of practical application to both experienced clinicians and those new to the field The accompanying DVD demonstrates Network Therapy in practice and includes enlightening commentary on key issues that are relevant across the many modalities of substance abuse treatment discussed in the book **Slipping Through the Cracks** Mark Sanders, 2011-12 Clients who have multiple addictions and disorders are more difficult to engage and treat than clients with a single disorder Many of the current systems are ill equipped to address the myriad challenges of these clients their relapse and recidivism rates are higher and many of these clients tend to slip through the cracks often going back and forth among

addictions treatment psychiatric and medical hospitalizations and incarceration Too many difficult to reach clients are at risk for relapse because their practitioners lack effective innovative strategies for this unique client base who remain part of a revolving door syndrome Now Certified Alcohol and Drug Addictions Counselor Mark Sanders LCSW offers specific strategies to assist therapists and counselors who work with difficult and at risk populations including those with multiple addictions co occurring disorders adolescents rural methamphetamine users antisocial personality disorder criminality and addiction trauma or grief and chemical dependency history of chronic relapse and recidivism *Slipping Through the Cracks* is an encyclopedic handbook to specific traits of the difficult to reach client as well as a concise guidebook to effective strategies that will be useful to anyone working with clients in private practice or in treatment programs who have both mental health and substance abuse issues
