Focus	My writing is clear and completely answers all parts of the prompt. I did not forget or lose the main idea when I added details.	Sometimes my writing moved away from the main point of focus of the prompt. Sometimes my details do not relate to the prompt and made my ideas confusing.	My writing is not clear and I drifted away from the prompt.	I did not stay focused on the topic or prompt. My writing is very difficult to understand when I re-read my work or when someone else reads my work.
Content	I used important details and information. I developed my ideas and made sure all of my sentences connected to the prompt.	I used some details to support my topic, but I needed to add more information and supporting details.	I needed to use more details to make my writing complete.	I did not use details or ideas to support my topic or response.
Organization	I wrote a strong introduction, body, and conclusion. I used appropriate transitions to connect my ideas.	I needed to put my story in order. I needed to strengthen all portions of my response. I needed to use more transition words to make my ideas flow.	I did not organize my response. I was missing paragraphs. My writing seems more like an outline than complete paragraphs. I did not use transition words.	I had no introduction, body, or conclusion. I have many mixed-up ideas. I did not use transition words.
Style	I used descriptive words that help readers "see" my ideas. My sentences varied in length, word usage, and structure. My tone and voice are consistent.	Most words address the prompt. I should choose a wider variety of words. I did not use different types of sentences. Tone and voice are not always consistent.	I used few descriptive words. I had little sentence variety. The tone and voice are not consistent.	I used no descriptive words. My sentences all begin with the same word or are not complete. There is no consistent tone or voice.
Conventions	I had few, if any, errors in spelling, grammar, and punctuation. My writing is neat and legible.	I made a few errors in spelling, grammar, and punctuation, but my meaning is still clear and understandable.	I had many mistakes in spelling, grammar, and punctuation. Sometimes my writing is hard to read.	My writing had so many mistakes that it is difficult to read or understand.

Nelson Flores,Amelia Tseng,Nicholas Subtirelu,2020-12-16 It is common for scholarly and mainstream discourses on dual language education in the US to frame these programs as inherently socially transformative and to see their proliferation in recent years as a natural means of developing more anti racist spaces in public schools In contrast this book adopts a raciolinguistic perspective that points to the contradictory role that these programs play in both reproducing and challenging racial hierarchies The book includes 11 chapters that adopt a range of methodological techniques qualitative quantitative and textual disciplinary perspectives linguistics sociology and anthropology and language foci Spanish Hebrew and Korean to examine the ways that dual language education programs in the US often reinforce the racial inequities that they purport to challenge *Executive Function in Education, First Edition* Lynn Meltzer,2011-03-17 This uniquely integrative book brings together research on executive function processes from leaders in education neuroscience and psychology It focuses on how to apply current knowledge to assessment and instruction with diverse learners including typically developing children and those with learning difficulties and developmental disabilities The role of executive function processes in learning is examined and methods for identifying executive function difficulties are reviewed Chapters describe scientifically grounded models for promoting these key cognitive capacities at the level of the individual child the classroom and the entire school Implications for teaching particular content areas reading writing and math are also discussed Rubric Nation Michelle Tenam-Zemach,Joseph E. Flynn,2015-04-01 What is a rubric and how are they being used in teacher education and evaluation When did rubrics become ubiquitous in the field of education What impact do rubrics have on students teachers

teacher educators and the educational enterprise This book is an edited volume of essays that critically examine the phenomenon of rubrics in teacher education evaluation and education more broadly Rubrics have seen a dramatic rise in use and presence over the past twenty five years in colleges of education and districts across the country Although there is a wealth of literature about how to make rubrics there is scant literature that explores the strengths and weaknesses of rubrics and the impact the rubric phenomenon is having in reshaping education The chapters included in this edited volume will critically reflect on the contemporary contexts of rubrics and the uses and impact of rubrics in education Since rubrics have become indelible in education it is necessary for a fuller nuanced discussion of the phenomenon Creating a book that explores these aspects of rubrics is timely and fundamental to expanding the discourse on this ubiquitous evaluation tool This book is not meant to be a series of chapters dedicated to best practices for creating rubrics nor is this text meant to present all sides of the rubric discussion Rather this text intends to offer critical polemics about rubrics that can spur greater critical discussion about a phenomenon in education that has largely been unquestioned in the literature
