Mighty Manifestations:

Obstacles to Divine Revelation Rolfe King, 2008-01-01 **Spiritual Gifts** Charles Elias Mahlangu, 2016-10-28 In *Spiritual gifts Church Under Siege* This book is part of a 3 book series Charles laments over how ministry gifts which were intended to prepare saints have been woefully neglected He argues that believers are granted abilities and leaders are needed who are willing to invest in them He moans that those with ministry gifts of the Lord Jesus Christ have behaved as if they are not committed to training individual believers The Black pulpit has ignored the pews in the department of gift identification and developing He pleads with the leaders as ministers of the Lord Jesus Christ to fulfil the number one functional dynamic in this life In *Your Gift from God the Holy Spirit Matters Book 1* Charles takes the reader on a hunt to explore how the individual believer is granted a supernatural gift He persuades and convinces the believer to discover his individual strategic gifting He defines and illustrates the gifts and tackles the controversial Charles says Ministry gifts were given to prepare the saints for the work of service and not to do the work of the ministry He shows how Pentecostal Evangelicals Charismatic Evangelicals and Traditional Evangelicals have been uniquely gifted and what must be discovered at the individual level according to the divine strategy of God the Father God the Son and God the Holy Spirit In *Spiritual Gifts Welcome to the Church Book 2* Charles defines and describes each gift He persuades the believer to connect with individual gifting according to the will of God the Father God the Son and God the Holy Spirit He urges that every believer is entrusted with a gift that can be known and used to benefit many *Discourses of Keidansky* Bernard G. Richards, 2019-12-20 In *Discourses of Keidansky* Bernard G Richards masterfully weaves a tapestry of philosophical inquiries and social commentary set against a backdrop of a fictional society The book is presented in a series of dialogues that echo the Socratic method challenging readers to engage in critical thinking on themes such as identity morality and the construction of reality Richards employs a nuanced literary style rich in metaphor and allegory which situates this work within the tradition of speculative fiction while simultaneously critiquing contemporary societal norms and beliefs Bernard G Richards a distinguished scholar and philosopher draws upon his extensive background in ethics and cultural studies to craft this thought provoking narrative His commitment to exploring the human condition and the underlying structures that govern societal interactions is evident throughout the text Richards own experiences navigating complex societal landscapes have undoubtedly influenced his perspective allowing him to create a reflective and intellectually stimulating environment for his readers I recommend *Discourses of Keidansky* to readers who are keen to dive into a profound exploration of philosophical ideas interlaced with engaging storytelling This book not only entertains but also provokes essential questions about our own lives making it an essential read for lovers of literature and philosophy alike *Jung on the East* C.G.
