The Ultimate Wodehouse Collection P.G. Wodehouse, 2020-05-17 P G Wodehouse was an English author and one of the most widely read humorists of the 20th century. Wodehouse worked extensively on his books, sometimes having two or more in preparation simultaneously. He would take up to two years to build a plot and write a scenario of about thirty thousand words. After the scenario was complete, he would write the story. Early in his career, he would produce a novel in about three months, but he slowed in old age to around six months. He used a mixture of Edwardian slang, quotations from, and allusions to numerous poets and several literary techniques to produce a prose style that has been compared to comic poetry and musical comedy.

Football in Fiction Lee McGowan, 2019-09-26. Football in Fiction represents the most comprehensive historical mapping and analysis of novels related to association football (soccer). It offers a theoretically informed field guide, a scholarly cartography of football fiction's uncertain and until now only partially explored terrain. Combining an extensive search for texts with up-to-date academic research, journals, surveys, catalogues, and reviews, the book demonstrates a topographic perspective of the field, one that captures and establishes its breadth, depth, and distinctive identity. The book uses and adapts two distinct reading models of abstraction in conjunction with closer textual analyses. Together, they assist in realising a set of demonstrable conventions, outline a taxonomy of fictive types, establish the genre's current state of play, and advance the football novel as a form with its own literary history and traditions.
