Overcoming Monarch Mind Control Kerth Barker, 2015-07-22 For more information about my books see www.KerthBarker.com I WANT TO MAKE IT CLEAR THAT I AM NOT A THERAPIST AND THAT I AM NOT GIVING ADVICE ON THERAPY IN THIS BOOK This book is informational and the information in it may be useful to therapists and to those persons recovering from Monarch Mind Control But you the reader are solely responsible for what you do with this information In 2014 I wrote and published a book called Mental Liberation in the Age of Thought Control In it I described techniques used by Therapists to deprogram and heal MK Ultra and Satanic Ritual Abuse Monarch Mind Control is the name of a system of mind control that evolved out of Satanic Ritual Abuse and the MK Ultra research program As a result of my Mental Liberation book's publication some therapists and survivors of Monarch Mind Control then contacted me and gave me feedback Some had found my books useful And some therapists explained to me their own techniques for helping the victims of Monarch Mind Control Because of the hostile and covert nature of those organizations which practice Monarch Mind Control the therapists who help recovering persons need to remain anonymous So I was asked to take their feedback and publish it in one of my books so that they could remain anonymous This book here on Overcoming Monarch Mind Control may not give you enough information in itself to conduct therapy But it will give you unique information which you cannot find anywhere else And if you are interested in how to recover from Monarch Mind Control or how to help others to recover this book contains useful information From it you can get a clearer idea of how Monarch Mind Control works and how a therapy system can be developed to help the victims of Monarch Mind Control This book also briefly tells the story of some persons who have recovered from Monarch Mind Control I have priced this book so that if you include my expense in advertising I don't really make any money from this book I am publishing it because this information really needs to be put out into the public awareness at this time Monarch Mind Control has been used on countless thousands of victims most of who do not even know that they have been the victims of this mind control system However some persons have figured out that they have been victimized by this mind control technique and such persons sometimes seek help from therapists Many legitimate therapists are struggling to understand how they can help to treat such persons Because the government and the mass media presently suppress all public knowledge of this phenomena treating Monarch Mind Control is not taught to psychologists in Universities So this book is designed to try to fill in the information gap If you combine the information in this book with a knowledge of publicly known techniques for therapy then an effective system of therapy for Monarch Mind Control will emerge Also a victim of Monarch Mind Control may be able to read this book and get some idea of how to find a helpful therapist Some persons who have a political interest in the nature of Monarch Mind Control may also find this book of interest As Monarch Mind Control is so widespread and because it has influenced the political events of our time in such a profound way this book is a book that anyone should find of interest I have limited resources to promote this book So if you

do purchase this book and find it useful please do what you can to tell others about it Thank You **Medical and Health Care Books and Serials in Print** ,1997 **Subject Guide to Books in Print** ,1996 The Spectator ,1940 A weekly review of politics literature theology and art Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 *Mental Liberation in the Age of Thought Control* Kerth Barker,2014-12-23 The Mechanical Universe Imagine a world where a majority of the people on the planet have been hypnotized Imagine that virtually all the important world leaders have been hypnotized In their hypnotized state they still do have a degree of functionality They are not totally out of touch with reality but their perception of the world is slightly amiss They can still walk and talk They still enjoy human relationships They breathe eat and drink But their distorted perception causes them to act in ways that are destructive Their distorted perception causes them to feel less joy in life They are harming themselves other people and the environment because of their distorted perception And the basis of this distorted perception is that on a subconscious level of mind they have been programmed to believe themselves to be in a mechanical universe Subconsciously they believe that they are surrounded by a giant machine Subconsciously they believe that they are a machine within a machine And these subconscious distortions are always there On a conscious level of mind they are not aware of how they have been hypnotized They have no conscious awareness of the fact that they are in a persistent hypnotic state This is the nature of subconscious programming the hypnotized person is simply not aware of the programming This book is about deprogramming this mechanical universe This book is unique you won t find any other book on deprogramming that is quite like this one I describe a system of mind control that was developed by other persons These persons were former MK Ultra researchers who had become disillusioned with the CIA and the MK Ultra research program So they began to covertly help those persons who were the victims of Satanic Ritual Abuse and MK Ultra I m the only person who is willing to publicly describe their system of therapy I don t give advice on how to perform therapy I only share information In some cases the information comes from therapists who have treated MK Ultra and Monarch mind control In this book I tell stories and share unique insights I m am a survivor of Satanic Ritual Abuse and some MK Ultra techniques I want to give hope to other survivors who are trying to recover And I want to give some new viewpoints for therapy to those who are trying to help recovering survivors This book was written as a sequel of sorts to my two previous books *Angelic Defenders* and *Demonic Abusers* *Memoirs of a Satanic Ritual Abuse Survivor* and *Cannibalism Blood Drinking High Adept Satanism* *Summary of Kerth Barker's Mental Liberation in the Age of Thought Control* Everest Media,2022-05-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The internet and tabloid media are filled with stories about how celebrities are subjected to Monarch mind control But the truth is that there is nothing glamorous about this type of mind control
