Overcoming Procrastination How To Not Procrastinate And Overcome Procrastination:

Overcoming Procrastination K. B. Bryson, 2014-07-13 Okay let's face it at some point in our life all of us have said we are going to get a certain task done yet we ended up not lifting a finger to do anything about it that is until someone yells at us about it However some people are chronic procrastinators If you constantly avoid getting things done and have a mountain of excuses lined up to explain the reasons why you are unable to do them then look in the mirror and you will see a procrastinator Most often these reasons are only excuses to avoid doing the real task and going through the emotional discomfort that often comes with making significant changes in our careers and in our lives Procrastination can exact a pretty steep toll on your business career relationships health and finances We all hate to admit it but in choosing to put off tasks that can be performed today for tomorrow we unwittingly surrender our happiness You may be tempted to play it safe especially when you are seriously thinking about improving your lot in life but do you really want to look back a few years from now and blame yourself for wasting time in getting certain things done That's where this book comes in Join me for this quick read and you'll be well on your way to getting things done now

Sullivan, 2014-10-14 Overcoming Procrastination How to overcome procrastination and learn to lead a productive life Does procrastinating take over your life when it comes to getting your work done Is it something that you genuinely need to conquer in order to make sure your life is easier That is a great question but what is procrastination To make a long story short procrastination is the act of putting off an essential task until a later date During the process of procrastination often times other non essential tasks are done in lieu of more important ones While the actual definition of procrastination might seem fairly simple the effects are often times not Let s be honest we ve all encountered the pesky problem that is procrastination at one point or another It s one of the easiest

bad habits to pick up and it usually isn't that big of a deal. Most people that procrastinate just put things off until the last minute but they still get the job done in the end. That breeds a sense of security knowing that even if you do end up waiting you'll still get it done. However, if left unchecked and to its own devices, what might seem like a minor annoyance or just a bit of free time before tackling a project at first can quickly blossom into something much more serious even to the point where overcoming your procrastination can actually be one of the biggest challenges you'll have to face because the dangerous thing about procrastination is the fact that it is highly addictive. Find out how to conquer the vice of procrastination once and for all. Also, you'll discover the reason why people procrastinate. Quick tips for battling your procrastination habits. Self-help tips on how to finally rule your life and not give into waiting until the last moment. And much more.
