Reading the Art in Caldecott Award Books Heidi K. Hammond, Gail D. Nordstrom, 2014-08-14 *Reading the Art in Caldecott Award Books* is a practical and easy to use reference handbook explaining what makes the art in Caldecott Medal and Honor books distinguished. It is a useful manual for librarians, teachers, and others who want to better understand picture book illustration. This book includes many useful components: Short entries about fifty-six books; Information on styles and media; Artistic analysis of the illustrations; Appendixes on selected sources for further reading; Randolph Caldecott Medal terms and criteria; bibliography of entries; and a list of Caldecott winners. Glossary of art terms; Indexes of author, illustrator, title, media, and style. This book, used as a handbook in conjunction with Caldecott Award books, provides readers with ready-to-use information they can share with children and others while helping to build confidence in one's ability to talk about art in all picture books.

Multicultural Literature and Response Lynn Atkinson Smolen, Ruth A. Oswald Ph.D., 2010-12-22 This compelling book emphasizes the critical role of quality multicultural literature and reader response in today's schools and libraries. All students need access to books in which they can see themselves, not just their physical appearance but their culture and language as well. *Multicultural Literature and Response: Affirming Diverse Voices* was written to help teachers and librarians find and use the best multicultural books in the service of reading comprehension and more. Underscoring the necessity of selecting quality literature that authentically, sensitively, and accurately portrays different groups, the book defines multicultural literature and provides a strong argument for its importance in schools and libraries. Expert contributors guide users to multicultural authors and illustrators who portray U.S. ethnic and cultural groups, and they suggest ways to integrate this literature with writing, fluency development, storytelling, and audiovisuals. Extensive lists of books and websites that feature multicultural literature, as well as of authors, illustrators, and publishers of multicultural literature, make it easy to include such works in programs across the curriculum. *The Big Book of Picture-Book Authors and Illustrators* James Preller, 2001 Introduce children to 75 favorite authors and illustrators with this all-in-one resource. The lively profiles in this collection provide insight into the lives, work, inspiration, and creative process of these talented writers and artists. Share these fascinating mini biographies with students to enhance author studies and help your students read with greater enthusiasm and understanding. Book jacket
