founders of our nation's music education over 100 years ago but until now no book has been written devoted to her contribution and her ongoing influence in today's classrooms. Thousands of music teachers have earned their degrees from her institute and have gone on to develop original music programs around the world. This book illuminates her forward thinking philosophy from the archives of her personal writings and captures the selected stories gathered from many alumni to inspire current teachers to utilize these creative ideas in their school music programs. Public school music teachers will be encouraged and future music educators enlightened by the innovation of Miss Crane and her mission to educate all children through music.
