Skill or Standard for focus / Objective: Standard E1.2.5
I can determine and evaluate the structure that an author uses to organize a text.

Structure refers to the way a writer creates a text.

A cause is a thing that makes something else happen.

An effect is a thing that happens because of something else.

Example:

I overslept so I missed
cause effect
the bus

Signal words

- because
- as a result
- due to
- since
- the reason
- therefore
- which means

Cause and Effect

• A writer will use cause and effect to show the relationship between events or ideas.

CAUSE is why it happened
EFFECT is what happened

• A cause can have more than one effect.

• Multiple causes can have only one effect

• A writer might use cause and effect to explain how or why historical or scientific events happened

Summary: Cause and effect is a type of text structure that shows how one event or idea made another one happen. A writer might choose to use this if they are trying to show the relationship between events or ideas.
