Midpoints Unleashing The Power Of The Planets:

Midpoints: Unleashing the Power of Your Planets Michael Munkasey, 2018-05-08 Since the 1st edition of this book was published in 1991 it has been a widely used reference book for many astrologers and their students who have recognized the value and importance in horoscope interpretation of the midpoints the halfway point between any two planets or a planet and a highly significant point such as Midheaven Ascendant or the north or south Node of the Moon The format of this edition is very similar to the first edition but you will find that the author has updated the interpretive text so do read it carefully and if you have not used midpoints routinely before you will soon realize how significant they can be in chart interpretation Following are a few comments from well known astrologers familiar with the first edition and midpoint techniques

Midpoints Michael Munkasey, 1991-07-01 Midpoints translates important astrological images into modern American ideas A midpoint is the place halfway between two planets or points in the horoscope This book can help you understand the power represented by these combinations and how to recognize their symbolism in your daily experiences with life

Working with Midpoints Kathy Allan, 2024-01-01 A simple yet often overlooked astrological technique The information that midpoints provide is astonishing they can mirror what is going on in the world in many cases providing the missing link that explains what is really happening when traditional astrology fails Veteran astrologer and author Kathy Allan has crafted a new manual that will teach readers to hone their basic chart reading and predictive skills through working with midpoints long considered a specialized topic in the field of astrology Initially inspired by the astrology classic Working with Astrology by Charles Harvey and Mike Harding Allan wanted to create a more user friendly textbook Exercises are included at the end of each chapter After explaining what midpoints are and how to find them Allan uses in depth case studies that examine the lives and horoscopes of such cultural icons as Carl Jung Evangeline Adams and Stephen King demonstrating midpoints in action Allan shows us how to delineate transiting and solar arc midpoints as an aid to understanding events Adding midpoints to ingress eclipse and return charts adds detailed information that enables us to more accurately anticipate coming events Readers will learn all about occupied and unoccupied midpoints planetary axes the 360 and 90 degree dials plus how to contemplate and forecast future trends At last here is a systematic and engaging approach to working with midpoints The perfect companion volume to Allan's acclaimed book on the Lunar Nodes

The Art of Chart Interpretation Tracy Marks, 2008-10-01 Learn how to determine and interpret the essential personality traits indicated by the birth chart Interpreting a horoscope effectively and determining an individual's primary qualities strengths and weaknesses requires skill in collecting and organizing astrological information The Art of Chart Interpretation presents a practical system for amateur and professional astrologers confused by the many details of the birth chart With clarity and insight Tracy Marks provides a comprehensive method for collecting and evaluating astrological data Her step by step techniques and worksheets aid astrology students in developing their abilities to analyze and synthesize the many facets of the chart and to grasp the
