Overcomers Seung-woo Byun,2020-05-15 In a book titled The Holy Warning the author stated the following words The majority of Christians in this generation do not know what it means to be truly reborn And there are far too many who claim to be reborn without actually being so There are too many who still live in sin and the greed of this world yet think that they are born again Christians The responsibility for this lies largely on the false preachers This is the great tragedy of this generation a great danger I can never forget the first time I preached the contents of this book The Kingdom of Overcomers Our church was very small at the time but I was invited to speak at a rather large church led by the chairman of our presbytery All those who heard the challenging message I gave were shocked yet greatly blessed A few days later however I received the following message from the presbytery chairman Pastor Byun you have stolen the hearts of our church members with your one sermon The members think very highly of you What you have preached is right It is the biblical truth But who would keep coming out to church if you preach like that Who would be left in our congregations I wasS shocked to see that a pastor could be so far from the truth He was more concerned with how many members would attend his church than with the safety of the people s souls Sadly there are more than a few of these pastors today Seeing the people He felt compassion for them because they were distressed and dispirited like sheep without a shepherd Matthew 9 36 This is how I honestly feel when I see the Church and Christians of this day and age That is why I hurried to finish the manuscript for this book just a few hours after finishing another book Christianity Alone is the Way and the Truth and the Life Christianity Alone was written to effectively evangelize to non believers This Kingdom of Overcomers however was written to awaken the nominal Christians in our churches and lead them to salvation This current generation has darkened so much that it requires evangelism not only out in the world but also in the church I thus hope that readers may utilize these two books to lead many souls to salvation Lord have mercy on the Church and Christians of this generation Through this small book would you awaken the nominal Christians that have become the majority in the Church Save them Lord I pray this in the name of Jesus Amen **31**

God's Word Change your daily regime of living in liability and trust God for asset living 31 Days of Encouragement for the Believer will minister to you according to God's Holy Word Blessings love and favor Yolanda Taylor Batiste *Being An OverComer This Too Shall Pass* Bobbie Davis Jr.,2016-03-31 Being An OverComer is uplifting encouraging and inspirational The Bible is clear of the opposition at hand Likewise the Word Of God instructs us on how to bounce back from the pit falls of life Rather an internal or external struggle exist or events that has happened inwhich you had no control over These writings were designed to feed you knowledge and understanding that will draw you closer to the Lord Jesus thereby bettering yourself and all of those that you will come into contact with If you re tired of being stuck in a rut or someone that you know of are at a very low point in their life Being An OverComer is a must read These truths will help bring you forth as God has already purposed *The Christian (3)* Watchman Nee,1992-06-01 Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry **The Ministry of the Word, Vol. 21, No. 04** Various Authors,2017-04-01 This issue of The Ministry of the Word contains the first eight messages given during the fall 2016 term of the full time training in Anaheim California The general subject of this series of messages is The Failures in the Churches the Degradation of the Church the Overcomers in the Church the Recovery of the Church and the Stages of the Church This issue comprises the first three components of this fivefold subject This general subject unveils the decline of the church and illuminates our need to return to the orthodoxy of the church The term orthodoxy refers to God's way for the church as ordained by Him and revealed in His Word The practice of the church that is according to God's original intention was present in the early years of the church before degradation set in We may say that orthodoxy is the equivalent of the word normal Thus the orthodoxy of the church is the normal Christian church life The overcomers are normal Christians in a time of abnormality Moreover the principle of returning to the orthodoxy is the same as that of recovery In order to be faithful to the Lord and to His word we must forsake mere tradition and return to what God originally intended for the church Concerning the actual practice of the church life three particular matters must become clear to us and real within us First we need to have a genuine vision of the church and see the church as the Lord Himself sees the church From the Scriptures that have been opened and rightly expounded to us through the ministry may we have the veil lifted from our heart receive the shining of the divine life and have the sight under the anointing Then we will begin to realize what the church is to Christ and how He views the church in its actual condition In Revelation 2 and 3 the Lord Himself addressed many matters in the church but before doing so He presented to John a vision of the church as golden lampstands In the eyes of the Lord all seven churches including Thyatira Sardis and Laodicea as actual local churches were seven golden lampstands This indicates that

intrinsically these seven churches were the embodiment and expression of the Triune God Second we need Christ's view and understanding concerning the degradation of the church The Lord Jesus is absolutely clear about the degradation in the churches nevertheless it is He who regards the churches intrinsically as golden lampstands Although the churches in their history and actual practice may be degraded in various ways we need to see everything not from our natural perspective but as the Lord sees Third we need to know and carry out His way to care for the church in its condition We are able to do so because we are governed by the vision of the church and have the Lord's view and understanding of the degradation in the church We need to know how to minister life how to conquer the satanic chaos and how to present the truth The co workers in particular need to learn of the Lord how to represent Him and how to carry out His administration to establish and maintain the order in the churches We need to be one with the Lord to minister Him according to the various situations Message 1 identifies that the weaknesses and failures in the churches are due to the principle of Babylon which is hypocrisy To overcome this principle we must take Christ as our burnt offering As the burnt offering Christ is the One who is absolute for God and for His satisfaction When we take Christ as our burnt offering and consecrate ourselves to in with by and through Him as our burnt offering we become ashes The ashes of the burnt offering were handled by the priests in a very stately and dignified way by placing them on the east side of the altar The east side is the side toward the sunrise and is an allusion to resurrection By being brought into resurrection we are brought into the transformation of the Triune God to become gold pearl and precious stones which are the building materials of the New Jerusalem Hence the ashes eventually become the New Jerusalem This should be our daily experience Messages 2 through 4 show that we need to consider the degradation of the church so that we may be inoculated against the decline This divine and mystical vaccine will prevent us from repeating the failures in the churches and from falling into degradation This inoculation will bring us back to the straight way of God's economy concerning the church We need to take the straight way to be one with the persecuted Jesus by going outside the camp and bearing His reproach The straight way is for the believers to be brought into the church in the way of life and built up in this life into the Body of Christ to bear the testimony of Jesus The Lord's recovery is for the preparation of the bride and in order for the bride to be prepared the local churches must become in reality both the Body of Christ and the one new man The Body is an organism through which the Lord can move to carry out His administration and the one new man is a corporate person who will fulfill Genesis 1:26 expressing God with His image and representing Him with His dominion In God's wise organic salvation the Body and the one new man become the bride Messages 5 through 8 consider the overcomers in the church Instead of expressing a hope that everyone in the church will suddenly become absolutely faithful to the Lord the Lord calls for overcomers The Lord Jesus Himself is the first Overcomer Rev 3:21, 5:5 and He will reproduce Himself in those who have the heart to be produced as overcomers The Reports and Announcements section of this issue contains reports from the January and February 2017 gospel trips to South Africa and Europe There is
