Demons in the USA Michael E. Heyes,2024-09-24 Demons in the USA argues that the discourse on the demonic that developed in the nineteenth century continues to exert a powerful hold over the American spiritual imagination The book begins by tracing the conservative Christian encounter with Spiritualism in the nineteenth century and the mode of thinking about the demonic which developed As Spiritualism s core principles reappeared in the New Age Christian interlocutors once more drew on this anti Spiritualist paradigm to condemn the movement This condemnation is absorbed by and amplified through the film The Exorcist The author considers how the success of the film disseminates the anti Spiritualist paradigm in surprising ways entangling it with entertainment science and politics such that it influences psychology the Satanic Panic of the 1980s and the contemporary QAnon movement This entanglement points to the broader argument of the work While we may wish to think of a film as entertainment and thus having no bearing on reality or demonic material as religious and thus exempt from categories like politics or science the truth is that categories are not so easily separated The author contends that the need to enforce the boundaries of such categories and the failure to do so is a hallmark of the intellectual construct of modernity and that those who believe in demons in the contemporary United States are surprisingly modern in their views The book grounds the importance of media to the twentieth and twenty first century religious experience arguing that the United States of today would not be possible without The Exorcist and its products Demons in the USA will be of particular interest to scholars dealing with religion in America those with a focus on religion and film or those involved with

contemporary demonology **American Exorcism** Michael Cuneo, 2010-09-30 Conducted by officially appointed exorcists or by maverick priests sidestepping Christian sanctions by evangelical ministers and Episcopal charismatics the ancient rite of exorcism is flourishing in the new millennium In New York alone four priests have since 1995 officially investigated over 40 cases of suspected demonic possession the Archdiocese of Chicago has appointed its first full time exorcist in over 160 years while exorcists have appeared on television courtesy of the likes of Oprah Winfrey and Larry King Written with objectivity insight and a healthy amount of irony AMERICAN EXORCISM is an inside look at this to some extraordinary to others preposterous and to many terrifying phenomenon Having attended over 50 exorcisms in person and interviewed many of the participants both the exorcists and those who believed themselves to be possessed Michael Cuneo explores this netherworld of American and ergo British life and reflects on the meaning of exorcism in the 21st century and on the relationship between religious ritual and popular culture As well recounting in gripping detail the ceremonies he witnessed he touches on such provocative topics as the satanic panics of the 1980s repressed memory and ritual abuse The result is a remarkably revealing entertaining and fascinating work of cultural commentary **How to Overcome** Latasha Fletcher, 2022-11-03 This book children of God is very inspiring because it denotes historical facts about mankind overcoming God spoke to me in the year 2013 for me to write this book on overcoming life issues In this book there is mention of the process of demonstration of life's meaning It will show and tell you how to handle situations and obstacles It reveals how God Almighty teaches us how to maintain in life In this book as well the process of prophetic utterance will be interpreted It gives the definition of what faces you in life and how you may overcome them As you read this book you will feel the anointing and power of God flow from and the power through it In this book How to Overcome you will see how true prophecy is spoken and revealed by the hand of God the True Creator So children of the Most High God sit back and enjoy this book and you may see how you yourselves overcame to purchase this book in the way you were feeling So God bless and enjoy on
