Allow only persons who understand this manual to operate your clearing saw.

To receive maximum performance and satisfaction from your STIHL brush-cutting, it is important that you read and understand the maintenance and safety precautions, starting on page 3, before using your clearing saw.

Contact your STIHL dealer or the STIHL distributor for your area if you do not understand any of the instructions in this manual.

### Warning!

Because a clearing saw is a high-speed cutting tool some special safety precautions must be observed to reduce the risk of personal injury.

Careless or improper use may cause serious or even fatal injury. Make sure your unit is equipped with the proper deflector, handle and harness for the type of cutting attachment being used. Always wear proper eye protection.

STIHL's philosophy is to continuously improve all of its products. As a result, engineering changes and improvements are made from time to time. If the operating characteristics or the appearance of your clearing saw differs from those described in this manual, please contact your STIHL dealer for information and assistance.
