and the website Includes information on maximizing your site to increase traffic online grassroots marketing tactics that will advance your career and how to best utilize social networking sites such as Facebook and Twitter The accompanying website will keep you up to date with online resources for web support The author s blog is continuously updated to include the latest breaking techniques for promotion Provides instruction on promoting both music and the artist on the Internet showing how to develop maximum online exposure Offers guidance in website development to save money by getting the site up and running right the first time Understand how the Internet is used by experts in the music business benefit from their experience to make the Internet a tool that works for you *A Practical Guide to Event Promotion* Nigel Jackson,Katie

Angliss,2017-07-14 This Practical Guide to Event Promotion offers the reader a short and succinct overview of the range of marketing communication materials from print to social marketing that can be used to promote an event successfully to the correct target markets It includes invaluable advice on how to identify the type of communication tools most applicable to the type of event that is being promoted and its target market how to effectively use and implement these useful tips on things to avoid as well as suggested time frames to use before during and after the event Examples of best practice and insights from events marketers are integrated throughout Although full of practical information a strong theoretical base underpins the advice included on how event managers can apply communication and persuasion theory to key audiences This book will be a useful resource for Events Management students putting on an event as part of their course and for assessments and those wanting to convert general theory into practical skills they will use in the workplace **Managing Events** Liz

Quick,2020-08-17 Combining the practical and academic aspects of event management this text presents an industry perspective with real life event examples and contemporary and relevant case studies It provides lecturers with a useful platform to integrate key event topics into the learning environment The book discusses the management process throughout the event cycle from the pre event planning stage on site delivery to the post event stage The book is divided into 4 distinct phases which are The Event cycle Before the event Throughout the event and Beyond the event Within each of these 4 sections there are 2 or 3 separate chapters each with their own objectives The book discusses practical and operational elements such as project management marketing sponsorship deals and risk assessment that need to be put in place both before and during the event The final section Beyond the event examines current and future event trends and issues and discusses the various career paths that exist and the skills and qualifications required to gain employment and start a successful career in events Each chapter profiles someone currently working within the events industry and presents a scenario of a real event challenge they have faced in their work role relevant to the chapter Further viewpoints from a second event practitioner and academic are included before the final outcome is presented showing us in each case how real life situations develop and are resolved in practice within the events industry The feature Event Ethics explores a topical issue that should encourage lively discussion and the Did you know section reveals an interesting and chapter specific event

fact At the end of every chapter students can revise and extend their event knowledge with the list of Chapter Summary Questions which help consolidate the learning outcomes Additionally the Key Terms section explains any terminology used within the chapter Each chapter concludes with a section called For the Classroom featuring discussion points and activities based around the chapter content as well as reference sources and suggested reading Some of the forms and inserts used to contextualise the learning will appear as weblinks for the students to download and use throughout **The Event**
